

Kyle Mobility Plan

Project Overview

The City of Kyle is updating its 2021 Transportation Master Plan to address the City's connectivity and transportation needs throughout the city to ensure appropriate mobility planning amid ongoing rapid growth. This updated plan is called the Kyle Mobility Plan (KMP 2026), which kicked off in spring 2025 and completion is anticipated by spring 2026. The purpose of KMP 2026 is to provide a comprehensive, long-term guide for the City of Kyle's transportation system that includes ways to improve and manage transportation and mobility infrastructure to meet the City's needs.

Kyle Mobility Plan Goals

- Local and Regional Connectivity
- Data-Informed Decision Making
- Be the safest community in Texas
- Provide mobility options for all users
- Invest where it serves people best
- Create supportive policies for implementation
- Illustrate where community feedback is used in recommendations
- Thriving, Active, & Healthy
- Integrate prior planning efforts into one document for mobility

Public Involvement

The KMP 2026 public comment period is **Monday, June 30, 2025 – Friday, Aug. 29, 2025.**

The City of Kyle wants to hear from you! This is your opportunity to provide input to the project team about mobility needs around Kyle, ideas, or concerns you have. We are utilizing prior feedback shared from the Comprehensive Plan, Parks, Recreation and Open Space Master Plan, Sidewalk Plan, and the 2025 Community Survey and only asking a limited number of questions that should take roughly 5 minutes to complete.
