

Maps

Check out the City of Kyle's [Interactive Maps!](#)

Interactive Maps include:

- [Active Cases Map](#) - Explore Development cases currently in review or under construction in the City of Kyle.
- [Zoning Districts Map](#) - Find more information about [development requirements for each zoning district](#) and uses allowed in each zoning district can be found here.
- [2022 Road Bond Projects](#) - View the critical roadway projects funded by the passing of the 2022 Proposition A.
- [Address Lookup-Jurisdiction](#) - Type in an address and find the Jurisdiction, Annexation Date, Kyle voting district, Subdivision, and water provider of the location.
- [Planning and Community Development Explorer](#) - Explore City Limits, Zoning, Special Districts, and other information related to Community Development.
- [Vybe Dashboard](#) - Explore the City of Kyle Vybe! See the entire network of planned Vybe Spots and Trails.
- [City of Kyle Parks and Recreation](#) - Explore City Parks, Trails and Amenities.
- [2023 FEMA Floodplain Map](#) (May take a minute to load) - The Federal Emergency Management Agency (FEMA) is currently in the process of updating the floodplain maps for our area. These maps are crucial in determining areas that are prone to flooding. You can also search by address if your property is affected by these updates on the [FEMA Flood Map Service Center](#).

GIS layers are now available for download on our [GIS hubsite](#). Data for streets, jurisdiction, zoning, voting districts and many others can be downloaded in shapefile or kml formats.
