September 6, 2023:

SUBJECT: City of Kyle TX – U. S. Dept of HUD FY24 Potential Entitlement City Acceptance

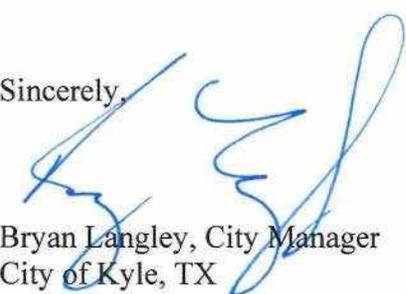

Dear Ms. Ibarra:

The City of Kyle, Texas respectfully submits this letter confirming its decision(s) of 1) acceptance for its entitlement community status and 2) CDBG funding in the estimated amount of \$212,780 for FY2024.

We understand that HUD makes no guarantee that this estimate is an accurate prediction of actual FY 2024 allocation amounts for any jurisdiction that decides to accept entitlement community status.

We confirm receipt of the *Guidance for Potential New Entitlement Grantees* document, which was included with your letter dated July 20, 2023.

Sincerely,

Bryan Langley, City Manager
City of Kyle, TX

July 20, 2023

Mr. Bryan Langley
City Manager
City of Kyle Administration
100 W. Center Street
Kyle, TX 78640

Dear Mr. Langley:

SUBJECT: City of Kyle TX – U. S. Dept of HUD FY24 Potential Entitlement City Notification

The City of Kyle, Texas was previously identified as a potential new entitlement community eligible for the Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) for FY23 but deferred its entitlement status. The City of Kyle is still potentially eligible for its entitlement status and CDBG funding in the estimated amount of \$212,780 for FY2024. Please note that this amount is an **estimate** and based on what your jurisdiction's funding allocation would have been if it had been an entitlement program participant in FY 2023. HUD makes no guarantee that these estimates are an accurate prediction of actual FY 2024 allocation amounts for any jurisdiction that decides to accept entitlement community status.

The City has until **September 15, 2023**, to provide our Field Office with its decisions via written correspondence if the City would like to accept or defer its entitlement status for FY2024. All communication should be sent electronically via email to the attention of Leti Ibarra, Director, at email: CPD_GeneralCorr-SAT@hud.gov along with a courtesy copy to Valerie Reed-Sweed CPD Program Manager, at email: valerie.m.reed-sweed@hud.gov.

HUD will interpret a failure by a potential new grantee to respond in writing by **September 15, 2023**, to mean that the jurisdiction has chosen to defer its entitlement status for FY 2024.

I am attaching the *Guidance for Potential New Entitlement Grantees* document, which details the specific Federal requirements for new CDBG grantees. If you would like to discuss this matter further, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Leticia Ibarra".

Leticia Ibarra, Director
Office of Community Planning and Development

cc: Amber Schmeits, Assistant City Manager
Jerry Hendrix, Assistant City Manager
Enclosure

GUIDANCE FOR POTENTIAL NEW ENTITLEMENT GRANTEES COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM

Potential new CDBG entitlement grantees may be identified annually when the Census Bureau releases updated population data. In addition, the Office of Management and Budget periodically issues bulletins that update their designations of metropolitan areas, counties included in metropolitan areas, and principal cities of those metropolitan areas. This memorandum provides guidance to potential new entitlement communities on the process required to become entitlement communities.

Once they are notified that they may be eligible for CDBG funding, potential new entitlement grantees are required to provide a written response to their local HUD Field Offices stating that they accept or decline their entitlement status. This response may be sent via email with a PDF attachment, facsimile, or mailed to the Field Office.

Part 91 Requirements

Potential new entitlement grantees must select a program year start date between January 1 - October 1. New grantees are encouraged to select a program year start date from July 1 - October 1 because of the amount of time required to develop a citizen participation plan, Consolidated Plan/Action Plan, train and hire staff on CDBG program requirements, and perform other necessary administrative actions required for start-up. In addition, because the Congressional appropriation process is often not completed by the start of the federal fiscal year, grantees with a program year start date of April 1 or earlier often do not receive their CDBG grants until well after their program year start dates.

Grantees are required to prepare a citizen participation plan that gives their policies and procedures for citizen participation in accordance with 24 CFR 91.105(a)(1). According to 24 CFR 91.105(a)(2), the citizen participation plan must provide for and encourage citizens to participate in the development of the consolidated plan/action plan, substantial amendments to the consolidated plan, and the annual performance and evaluation report. Low and moderate persons should be encouraged to participate in this process, particularly those that reside in areas where CDBG assistance may be targeted. Grantees must also encourage the participation of minorities, non-English speaking persons, and persons with disabilities as well. Participation by nonprofits, community-based organizations, public housing agencies, businesses, developers, and faith-based organizations should also be encouraged.

A grantee is required to prepare a Consolidated Plan every three to five years and an annual Action Plan that details the activities it will carry out with CDBG funds. 24 CFR 91.5 defines a Consolidated Plan as the document submitted to HUD that serves as the comprehensive housing affordability strategy, community development plan, and submissions for funding under any of the Community Planning and Development formula programs (CDBG, HOME, ESG, and HOPWA) prepared in accordance with the process detailed in Subpart C of the Part 91 regulations.

Information required for a complete Consolidated Plan includes:

- A housing and a homeless needs assessment, which includes the jurisdiction's estimated housing needs, number and types of families in need of housing assistance for extremely low income, low income, moderate income, and middle-income families, renters or owners, elderly persons, single persons, large families, persons with HIV/AIDS and their families, and persons with disabilities.
- A homeless needs assessment which describes the nature and extent of homelessness; an estimate of the number of persons who are not homeless but require supportive housing; and the number of housing units occupied by low- and moderate-income families that contain lead paint hazards.
- A housing market analysis.
- A strategic plan which addresses non-housing community development needs and barriers to affordable housing.
- An anti-poverty strategy.

Grantees must address all of the requirements listed in the regulations.

HUD cannot provide an estimate of how many hours it would take to prepare a Consolidated Plan because the number would vary with each entitlement grantee. It is recommended that potential new entitlement grantees contact other comparable entitlement grantees or the HUD Field Office to ascertain this information.

The regulations at 24 CFR 91.15(a)(1) state that jurisdictions should submit their Consolidated Plans to HUD at least 45 days before the start of its program year. 24 CFR 91.15(a)(2) states that HUD will not accept a Consolidated Plan submission earlier than November 15 or later than August 16 of the federal fiscal year for which the grant funds are appropriated. It is important for grantees to understand that failure to submit their Consolidated Plan and Annual Action Plan by August 16 will result in the loss of funding for that fiscal year. Grantees should consult 24 CFR 91.220-230 for guidance concerning preparation of an annual Action Plan. Information on the Consolidated Plan may be accessed at <https://www.hudexchange.info/programs/consolidated-plan>. Grantees are required to submit their Consolidated Plan/Action Plan in the eCon Planning Suite: Consolidated Plan and IDIS. The eCon Planning Suite includes CPD Maps, a mapping tool to assist grantees in determining where to target CDBG assistance. Additional information on the eCon Planning suite may be accessed at <https://www.hudexchange.info/programs/consolidated-plan/econ-planning-suite/>. Webcasts on use of the eCon Planning suite may be accessed at <https://www.hudexchange.info/programs/consolidated-plan/econ-planning-suite-overview-webinars/>.

Grantees are also permitted to hire consultants to assist them in developing a Consolidated Plan. Consultants must be procured in accordance with the procurement requirements at 2 CFR 200.318-200.326, accessible at https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl. Notice CPD 96-5 also provides guidance on the procurement of consulting services. It may be accessed at https://www.hud.gov/program_offices/administration/hudclips/notices/cpd/99-95#1996

Once a grantee submits its Consolidated Plan/Action Plan to the HUD Field Office, HUD has 45 days to review and approve it. A Consolidated Plan/Action Plan is considered approved by HUD 45 days after HUD receives it unless HUD notifies the grantee before that date that its plan is disapproved. The Field Office may disapprove all or part of a grantee's Consolidated Plan/Action Plan. Reasons include but are not limited to the plan being substantially incomplete, developed without citizen participation and/or consultation, or HUD determined that one or more of the certifications submitted with the plan are inaccurate. A grantee has 45 days from the date of notification of disapproval by HUD to resubmit its Consolidated Plan/Action Plan, and HUD has 30 days to approve or disapprove the resubmitted Consolidated Plan/Action Plan.

Once HUD approves a grantee's Consolidated Plan/Action Plan, the HUD Field Office issues a grant agreement. After the grant agreement is executed by HUD and the grantee, an account is established in the grantee's name with the U.S. Treasury. This is the grantee's Line of Credit. Grantees must draw down funds by activity as they are needed rather than draw down the entire grant at once. Grantees are not permitted to draw down funds in advance of need and are required to minimize the time between the transfer of funds from the Treasury to disbursement by them or their subrecipients for eligible activities.

Preparation of Consolidated Plans/Action Plans

New CDBG grantees are permitted to incur costs for the preparation of their citizen participation plans, Consolidated Plans/Action Plan and other administrative costs before the date of their grant agreements. Under the authority of 24 CFR 570.200(h), reimbursement for pre-award costs, before the effective date of the grant agreement, a grantee may incur costs and then after the effective date of the grant agreement pay for those costs using its CDBG funds. Citizens must be advised of the extent that pre-award costs will affect future grants, and the costs must be in compliance with Subpart C of the Part 570 regulations and the environmental review procedures stated in 24 CFR Part 58. Pre-award authority is only permitted for preparation of the first year's Consolidated Plan/Action Plan.

CDBG Program Administration

CDBG grantees are permitted to spend no more than 20 percent of their CDBG grants plus 20 percent of program income earned that program year for planning and administration expenses. Planning and administration expenses include but are not limited to preparation of the Consolidated Plan/Action Plan, staff salaries for employees administering the CDBG program, and lease of office space. New grantees will require significant start-up costs associated with the development of their citizen participation and consolidated/action plans and capacity building.

New CDBG grantees are advised to carefully consider the options for administering their proposed CDBG-assisted activities. The option(s) selected may depend on the size of the CDBG grant, grantees' capacity for CDBG program administration, and the activities that they plan to carry out. In accordance with 24 CFR 570.200(f), a grantee may carry out CDBG activities:

- through its employees (the hiring of staff to administer the CDBG program is an eligible administrative cost).
- procuring with a consulting firm or for-profit grant administrator (the contract must be governed by the requirements of 2 CFR 200.318-200.326).
- through loans or grants made to subrecipients (see 24 CFR 570.500(c) for the definition of subrecipient) or
- the use of one or more public agencies (such as the county, a public housing authority or a redevelopment authority).

Grantees may use one or more of these options for carrying out CDBG-assisted activities. However, please note that 24 CFR 570.501(b) states that the grantee is responsible for ensuring that CDBG funds are used in accordance with all program requirements. The use of designated public agencies, subrecipients, or contractors does not relieve grantees of this responsibility. This means that grantees must ensure that designated public agencies, subrecipients, and contractors are carrying out CDBG-assisted activities in compliance with all CDBG program requirements. The grantee is responsible for monitoring such entities to ensure performance and compliance. The grantee remains responsible for any compliance problems and is financially responsible for any disallowed costs.

CDBG grantees are required to provide CDBG assistance only to areas within their jurisdictions' boundaries unless the requirements in 24 CFR 570.309 are met. This provision states that a grantee must determine that an activity funded outside of its jurisdiction is necessary to further the purposes of the Housing and Community Development Act of 1974 and its community development objectives, and that the grantee's residents are reasonably benefiting from the activity. It is important that grantees document the basis for this determination before CDBG funds are expended, and grantees must maintain that documentation. Urban counties are reminded that local governments which chose to opt out of the county's program or chose not to sign a cooperation agreement to participate in the county's program are not part of the CDBG Urban County. Even though these local governments may lie within the county's corporate boundaries, they are outside the jurisdiction of the county for CDBG program purposes.

Reporting Requirements

CDBG grantees are required to be proficient in the use of the Integrated Disbursement and Information System (IDIS). IDIS is the system through which grantees enter activity accomplishments and draw funds from the Line of Credit. Grantees are required to report on all CDBG-assisted activities in IDIS on a regular basis. Grantees are required to enter information on the proposed activity and national objective. As the activity progresses, grantees are required to

report on activity accomplishments and performance measures. For activities that will meet the low- and moderate-income jobs national objective, grantees are required to enter information on race and income of the beneficiaries and identify the number of jobs created or retained. For activities that will meet the low- and moderate-income limited clientele national objective, grantees are required to enter information on race and income of the beneficiaries. For activities that will meet the low- and moderate-income area benefit national objective, grantees are required to enter information on the Census block groups that comprise the service area of the activity. The IDIS training manual may be accessed at <https://www.hudexchange.info/resource/2685/idis-online-for-cdbg-entitlement-communities-training-manual/>. The IDIS home page, providing IDIS resources, news, and announcements may be accessed at <https://www.hudexchange.info/programs/idis/>.

To obtain an IDIS account, a grantee's chief executive officer (or their designee) must fill out the IDIS Online Access Request Form, have it notarized, and submit it to their local HUD Field Office. For security and separation of duties purposes, multiple staff members will require IDIS access. The form and additional information on the requirements for acquiring an IDIS account may be accessed at <https://www.hudexchange.info/programs/idis/idis-technical-assistance/>.

of settlement between owner and obligated party.

Auction End Time: April 18th, 2024 at 10:00 AM

CITY OF KYLE CDBG PROPOSED CONSOLIDATED PLAN PUBLIC COMMENT PERIOD

To: All interested Agencies, Groups, and Individuals

The City of Kyle is identified as an Entitlement City by the U.S. Department of Housing and Urban Development (HUD), and consequently, will receive funding annually through the Community Development Block Grant (CDBG) program. The amount the CDBG grant is determined by statutory formula; the estimate for FY24 is \$212,780.00. Within the statutory constraints of the CDBG program, the City of Kyle is able to develop its own program and funding priorities.

In application for CDBG funding, the City of Kyle is required to develop and submit to HUD, a Five-Year Consolidated Plan which identifies the housing and non-housing funding priorities of the community and the specific activities to be carried out with CDBG funds. The Consolidated Plan is comprised of a Needs Assessment, Market Analysis, Strategic Plan with goals, and an Annual Action Plan. Consultation and citizen participation are included in each phase of plan development. Information collected during this comment period will be used to revise the Proposed Consolidated Plan and will be attached to all subsequent versions of the Consolidated Plan.

Citizens can review a hard copy of the Proposed Consolidated Plan and its corresponding comment form, at the 100 W. Center Street, Kyle Texas 78640, Monday to Friday, from 8am to 5pm, or on-line at www.cityofkyle.com/planning/public-notices. The comment period will be from 8am on Monday April 1, 2024 until 5pm on Tuesday April 30, 2024.

Comments can be submitted in writing to Kaela Sharp, 100 W. Center Street, Kyle, Texas 78640, or via email to Kaela Sharp at CDBG@cityofkyle.com.
Date: April 3, 2023

BID NOTICE

Skanska, Construction Manager-at-Risk, will be accepting proposals from qualified subcontractors for the project located in San Marcos, TX. This solicitation is for the Texas State University Math & Computer Science STEM Building ERP #1.

Scope of work for ERP #1 to consists of the following:

- Site Demolition (Existing Site Structures, Foundations & Underground Utilities)
- Site Civil (Clear & Grubbing, Mass Excavation & Fill, Building Pad Preparation, Site Grading, Engineered Soil Slope Stabilization, HMAC Paving, Curb & Gutter)
- Underground Utilities (Storm, Gas, Water & Sanitary Sewer)
- Electrical Main Equipment Procurement (Generator, Transformers, Switchboards)
- Mechanical / Plumbing (Under Ground Hydronic Piping)

Proposals will be due Tuesday, April 16, 2024 @ 2:00 PM CDT. All Proposals should be submitted via BuildingConnected. Documents are available electronically via www.BuildingConnected.com. Proposals will not be accepted after 2:00 PM on bid day.

An onsite pre-bid meeting will be held on Wednesday, April 03, 2024 @ 1 p.m.

HUB firms are encouraged to submit proposals on this

project. Skanska is an equal opportunity (EEO) employer.

Please respond if interested and address all questions to sean.huntsman@skanska.com.

Vanessa Garcia: furn, boxes, mattress, hm decor, kids toys.

PUBLIC HEARING

Notice is given that Barton Springs/Edwards Aquifer Conservation District Board of Directors will hold a Public Hearing at its regularly scheduled meeting on Thursday, April 11, 2024, at

5:00 p.m. at the District office located at 1124 Regal Row, Austin, TX, 78748.

The City of Buda, 405 E Loop St, Buda, TX, 78610, filed an Aquifer Storage and Recovery (ASR) application with the Barton Springs/Edwards Aquifer Conservation District (District). The City of Buda is applying for a Storage and Recovery Permit that authorizes the production of Class D Conditional Edwards Aquifer water during times of non-drought periods for the purposes of injection, storage, and recovery from an ASR recovery well. The City of Buda is requesting a Class D Conditional Permit to withdraw up to 133,660,000 gallons/year from the Edwards Aquifer; this permit class is reserved for ASR projects and is 100% curtailed during drought. The City of Buda ASR project involves the production of Edwards Aquifer water for injection into the Middle Trinity Aquifer for subsequent recovery and use as public water supply. The ASR project and associated wells are located at 673 Cullen Blvd, Buda, TX, 78610.

For further information, please contact the District, 1124 Regal Row, Austin, TX, 78748, (512) 282-8441, bseacd@bseacd.org. You may also contact the applicant, the City of Buda, via Blake Neffendorf, Public Works Director, at (512)-312-2876, bneffendorf@budatx.gov.

City of Kyle

Citizen Participation Plan Public Notice

To: All Interested Agencies, Groups, and Individuals

The City of Kyle is identified as an Entitlement City by the U.S. Department of Housing and Urban Development, and consequently, receives funding annually through the Community Development Block Grant (CDBG), and the HOME Investment Partnership Program. The amount of each CDBG, and HOME entitlement is determined by statutory formula. Within the statutory constraints of each of the HUD programs, the City of Kyle is able to develop its own programs and funding priorities.

In application for funding through these programs, the City of Kyle is required to develop and submit to the U.S. Department of Housing and Urban Development, a Consolidated Plan which identifies the housing and non-housing funding priorities of the community and the specific activities to be carried out with CDBG, and HOME funds. In developing the Consolidated Plan, the City is charged with the responsibility of consulting with local citizens, community service organizations, and others as applicable in assessing needs and determining the best use of program funds.

The City of Kyle has developed a draft Citizen Participation Plan (CPP) to adhere to 24 CFR Part 91, pertaining to the Consolidated Submission for Community Planning and Development Programs and 91.105 Citizen Participation Plan for local governments. Also, in accordance with 24 CFR Part 91.105(a)(3), upon request, the City will provide the draft CPP in a format that is accessible to persons with disabilities. The City's policies and procedures to encourage and allow for citizen participation in the development and submission of a Consolidated Plan, as well as any substantial amendments to the Plan, and reports of performance are outlined in the draft CPP.

Total HUD CDBG funding for the Fiscal Year 2023 -2024 is anticipated to be over \$50,000.

This notice serves three purposes: 1) per 24 CFR Part 91.105 the City of Kyle is required to adopt a citizen participation plan that sets forth the jurisdiction's policies and procedures for citizen participation, 2) per 24 CFR Part 91.105(a)(3) the City of Kyle must provide citizens with a reasonable opportunity to comment on the original citizen participation plan and on substantial amendments to the citizen participation plan, and must make the citizen participation plan public, and 3) notify the public that the preparation of the Consolidated Plan will begin following City approval of the CPP.

Citizens can review a copy of the draft CPP at 100 W. Center Street, Kyle Texas 78640, Monday to Friday, from 8am to 5pm, or on-line at www.cityofkyle.com, look for "Citizen Participation Plan".

Comments must be submitted before 5pm on Thursday July 14, 2023, in writing to Kaela Sharp, 100 W. Center Street, Kyle, Texas 78640, or via email to Kaela Sharp at CDBG@cityofkyle.com.

Date: June 14, 2023

The requirements of Subchapter of Chapter 202, Government Code, shall apply to this Bid and the Contractor agrees that the Contract Documents can be terminated if the Contractor knowingly or intentionally fails to comply with a requirement of that subchapter.

Ciudad de Kyle

Plan de Participación Ciudadana Noticia Pública

Para: Todas las agencias, grupos e individuos interesados

El Departamento de Vivienda y Desarrollo Urbano de los EE. UU. identifica a la ciudad de Kyle como una ciudad que recibe fondos anualmente a través de la subvención en bloque para el desarrollo comunitario (CDBG) y el programa de asociación de inversión HOME. La cantidad de cada derecho de CDBG y HOME está determinada por la fórmula legal. Dentro de las limitaciones legales de cada uno de los programas de HUD, la ciudad de Kyle puede desarrollar sus propios programas y prioridades de financiación.

En la solicitud de financiamiento a través de estos programas, la Ciudad de Kyle debe desarrollar y presentar al Departamento de Vivienda y Desarrollo Urbano de los EE. UU., un Plan Consolidado que identifique las prioridades de financiamiento de vivienda y no relacionadas con la vivienda de la comunidad y las actividades específicas que se realizarán. Llevado a cabo con fondos CDBG y HOME. Al desarrollar el Plan Consolidado, la Ciudad tiene la responsabilidad de consultar con los ciudadanos locales, las organizaciones de servicio comunitario y otros, según corresponda, para evaluar las necesidades y determinar el mejor uso de los fondos del programa.

La Ciudad de Kyle ha desarrollado un borrador del Plan de Participación Ciudadana (CPP) para adherirse a 24 CFR Parte 91, perteneciente a la Presentación consolidada para Programas de Planificación y Desarrollo Comunitario y 91.105 Plan de Participación Ciudadana para gobiernos locales. Además, de acuerdo con 24 CFR Parte 91.105(a)(3), previa solicitud, la Ciudad proporcionará el borrador del CPP en un formato que sea accesible para las personas con discapacidades. Las políticas y procedimientos de la Ciudad para fomentar y permitir la participación ciudadana en el desarrollo y presentación de un Plan Consolidado, así como cualquier enmienda sustancial al Plan, y los informes de desempeño se describen en el borrador del CPP.

Se anticipa que la financiación total de HUD CDBG para el año fiscal 2023 -2024 debe ser aproximadamente \$50,000.

Este aviso tiene tres propósitos: 1) según 24 CFR Parte 91.105, la Ciudad de Kyle debe adoptar un plan de participación ciudadana que establezca las políticas y procedimientos de la jurisdicción para la participación ciudadana, 2) según 24 CFR Parte 91.105(a)(3) la Ciudad de Kyle debe proporcionar a los ciudadanos una oportunidad razonable para comentar sobre el plan de participación ciudadana original y sobre las enmiendas sustanciales al plan de participación ciudadana, y debe hacer público el plan de participación ciudadana, y 3) notificar al público que la preparación del Plan Consolidado El plan comenzará luego de la aprobación de la Ciudad del CPP.

Los ciudadanos pueden revisar una copia del borrador del CPP en 100 W. Center Street, Kyle Texas 78640, de lunes a viernes, de 8 am a 5 pm, o en línea en www.cityofkyle.com, busque "Plan de participación ciudadana".

Los comentarios deben enviarse antes de las 5:00 p. m. del jueves 14 de julio de 2023, por escrito a Kaela Sharp, 100 W. Center Street, Kyle, Texas 78640, o por correo electrónico a Kaela Sharp en CDBG@cityofkyle.com.

Consolidated Plan NEEDS ASSESSMENT COMMUNITY SURVEY

When: 09/12/23 to 5pm CST 10/12/23

Where: on-line at

<https://www.cityofkyle.com/planning/community-development-block-grant>

<https://www.surveymonkey.com/r/SXXG6LZ> [español]

<https://www.surveymonkey.com/r/SXF8NZL>

OR

Hard copy at City of Kyle Planning Department, 100 W. Center Street, Kyle, TX 78640, M-F, 8:00am to 4:30pm

What: City of Kyle must develop and submit to HUD a five-year Consolidated Plan, including a year one Action Plan, in order to receive its annual CDBG entitlement grant. The Consolidated Plan is comprised of a Needs Assessment, Analysis of Impediments to Fair Housing, Market Analysis, Strategic Plan with goals, and an annual Action Plan. Consultation and citizen participation are included in each phase of plan development.

Eligible activities for HUD CDBG monies include, but are not limited to: Construction of public facilities and improvements, such as water and sewer facilities, streets (including lighting and sidewalks), neighborhood centers, special needs housing, affordable housing, public housing, public services, and homelessness prevention.

Ineligible activities for HUD CDBG monies include: acquisition, construction or reconstruction of buildings for general conduct of government, political activities, certain income payments and construction of new housing by units of general local government.

Why: Survey responses will help determine priority needs that will be shared during the Needs Assessment Community Workshop on October 26th, 2023, from 6:00pm to 7:30pm, at City Council Chambers, 100 W. Center St, Kyle, TX 78640.

09/12/23

Plan Consolidado ENCUESTA DE EVALUACIÓN DE NECESIDADES COMUNITARIAS

Cuándo: 09/12/23 hasta las 5:00 p. m. del 10/12/23

Dónde:

<https://www.cityofkyle.com/planning/community-development-block-grant>

<https://www.surveymonkey.com/r/SXXG6LZ> [español]

<https://www.surveymonkey.com/r/SXF8NZL>

y también hay copia impresa en el Departamento de Planificación de la Ciudad de Kyle, 100 W. Center Street, Kyle, TX 78640, de Lunes a Viernes, de ocho de la mañana hasta la 4:30 de la tarde

De qué se trata: La Ciudad de Kyle debe desarrollar y presentar a HUD un Plan Consolidado de cinco años, que incluya un Plan de Acción para el primer año, para poder recibir su subvención anual de CDBG. El plan consolidado incluye una evaluación de necesidades, análisis de obstáculos a la vivienda justa, análisis del mercado, plan estratégico con objetivos y un plan de acción anual. La consulta y la participación ciudadana están incluidas en cada fase del desarrollo del plan.

Las actividades elegibles para los fondos de HUD CDBG incluyen, entre otras: construcción de instalaciones y mejoras públicas, como instalaciones de agua y alcantarillado, calles (incluyendo iluminación y aceras), centros comunitarios, viviendas para necesidades especiales, viviendas asequibles, viviendas públicas, servicios públicos y prevención de personas sin hogar.

Las actividades no elegibles para los fondos de HUD CDBG incluyen: adquisición, construcción o reconstrucción de edificios para la conducta general del gobierno, actividades políticas, ciertos pagos de ingresos y construcción de viviendas nuevas por unidades de gobierno local en general.

Por qué: Las respuestas a la encuesta ayudarán a determinar las necesidades prioritarias que se compartirán durante la reunión de evaluación de necesidades en Octubre 26, 2023, 6:00pm to 7:30pm, Cámara del Consejo Municipal, 100 W. Center St, 78640.

OCTOBER 19, 2023

CONSOLIDATED PLAN NEEDS ASSESSMENT COMMUNITY WORKSHOP

When: 6pm CST to 7:30pm CST on Thurs Oct 26, 2023

Where: in-person at City of Kyle City Council Chambers, 100 W Center St., 78640

Please call Kaela Sharp at 512-377-1458 before 5pm on 10/23/23 to request special accommodations needed to attend the meeting

What: City of Kyle must develop and submit to HUD a five-year Consolidated Plan, including a year one Action Plan, in order to receive its annual CDBG entitlement grant. The Consolidated Plan is comprised of a Needs Assessment, Analysis of Impediments to Fair Housing, Market Analysis, Strategic Plan with goals, and an annual Action Plan. Consultation and citizen participation are included in each phase of plan development.

Eligible activities include but are not limited to: Construction of public facilities and improvements, such as water and sewer facilities, streets (including lighting and sidewalks), neighborhood centers, special needs housing, affordable housing, public housing, public services, and homelessness prevention.

Ineligible activities include: acquisition, construction or reconstruction of buildings for general conduct of government, political activities, certain income payments and construction of new housing by units of general local government.

Why: Obtain real-time, face-to-face Needs Assessment input from the community. Information collected from this workshop and the Sept. 2023 on-line Needs Assessment Survey will be used to refine the Needs Assessment portion of the Consolidated Plan; both will be attached to the Draft Consolidated Plan, anticipated to be available early 2024.

PLAN CONSOLIDADO EVALUACIÓN DE NECESIDADES JUNTA DE LA COMUNIDAD

Cuándo: De 6 p. m. CST a 7:30 p. m. CST el jueves 26 de octubre de 2023

Dónde: En persona en el Alcaldía de la Ciudad de Kyle, 100 W Center St., 78640

Por favor, llame a Kaela Sharp al 512-377-1458 antes de las 5 p. m. del viernes 23 de octubre de 2023 para solicitar ayuda con traducción para la reunión.

Qué: La Ciudad de Kyle debe desarrollar y presentar a HUD un Plan Consolidado de cinco años, que incluye un Plan de Acción del primer año, para recibir el dinero de su subvención anual de CDBG. El Plan Consolidado se compone de una Evaluación de Necesidades, Análisis de Obstáculos a la Vivienda Justa, Análisis de Mercado, Plan Estratégico con metas y un Plan de Acción anual. La consulta y la participación del público están incluidas en cada fase del desarrollo del plan.

Las actividades elegibles incluyen, pero no se limitan a: Construcción de instalaciones públicas y mejoras, como instalaciones de agua y alcantarillado, calles (incluyendo iluminación y aceras), centros de vecindario, viviendas para necesidades especiales, viviendas asequibles, viviendas públicas, servicios públicos y prevención de la falta de vivienda.

Las actividades no elegibles incluyen: adquisición, construcción o reconstrucción de edificios para el gobierno, actividades políticas, ciertos pagos de ingresos, y construcción de nuevas viviendas del gobierno.

Por qué: Obtener aportes de Evaluación de Necesidades en persona con la comunidad. La información de público en la junta y la encuesta de evaluación de necesidades en línea de septiembre de 2023 se utilizarán para mejorar la Evaluación de Necesidades del Plan Consolidado; ambos documentos van estar en el Plan Consolidado, que se espera que esté disponible en los primeros meses de 2024.

So i spent the better half of my day today reading and rereading these documents pertaining to this HUD program

In summary, this is a ploy to retrieve money from the federal government whom has no money to distribute,

I don't understand why we don't utilize the current funding that the city receives from us taxpayers, why would we ever accept funding and sell it to the citizens as if we are doing good for "homeless" when that's not what's illustrated throughout the documents?

Why not be honest?

Just curious, we built a 40 million dollar police station that wasn't needed and a 4 million dollar park yet our roads are in shambles

Why not focus the concerted efforts towards something that helps the existing taxpayers?

Why is the city so focused on receiving money from the federal government?

Subject: KASZ Summary Statements on CDBG

To All Parties involved in the City of Kyle Community Development Block Grants

Thank you for this opportunity for input. As Communication and Grants Director, I write on behalf of 1,236 members of KASZ, the Kyle Area Senior Zone. Our nonprofit formed in 2006 to stop the destruction of the 1912 old opera house and city hall building that now serves as Kyle's only community center. In 2019 the city offered a piece of land, so KASZ hired a consultant, an architect, collaborated with City and Hays County officials, completed a capital campaign for \$600,000 and delivered plans for a 35,000 square foot community center.

The former city management had planned for block grant funding to support the staff and maintenance of this proposed community center. Currently there are no plans to go forward with this piece of land for a community center. Many citizens hoped that the covid recovery funding, ARPA, might be used to build a center but instead all that funding went to the sewer system. Now again we see the sewer in the top priorities for block grant funding and a combined library/recreation center/senior center is in last place at number 10.

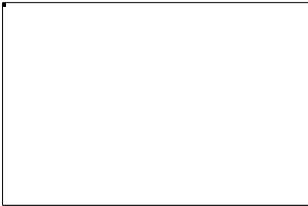

Last month the City Council held a special meeting to discuss the community center issue as they rush to put something together by August for a bond issue. It was an open meeting and about 30 senior citizens attended but did not feel welcomed. Our board president received several texts

and phone calls reprimanding her for encouraging attendance. Senior citizens are a significant block of the population, we staff the city hall front desk, volunteer throughout the community and vote regularly. The stability and future of the City of Kyle depend on the relationship between the local government and its citizens. We must improve this relationship. Thank you for your consideration.

Good Evening Melissa,
I would like to share these comments on behalf of the Homeless Coalition of Hays County Board.
Please let me know that you have received our input.
Thank you,
Nancy Heintz
Co-Chair
Homeless Coalition of Hays County

Kyle's Proposed 5-Year Consolidated Plan

PR-05 Lead & Responsible Agencies 24 CFR 91.200(b)

page 6

The City of Kyle, as part of Hays County, is a member of the Texas Balance of State Continuum of Care (CoC) administered by the Texas Homeless Network. As of January 2024, the City does not yet have any Continuum of Care Activities.

On behalf of the Hays County Homeless Coalition (HCHC) Board, I would like to share this comment concerning Kyle's membership in the CoC. I understand that technically you are a member if you have been in direct contact the Texas Homeless Network staff.

The HCHC is a member of the Texas Balance of State CoC as the local homeless coalition for Hays County and our Coalition members are connected to the CoC through our membership. One of the goals of the Coalition's Board this year is to engage with Kyle's leadership in hopes of their participation as an active member of the Coalition.

*The Coalition's Mission is: **Uniting to find and close housing and supportive service gaps in our Hays County communities through communication, cooperation, coordination, and collaboration**".*

The Coalition wants to also affirm the support that we received from Chief Barnett and your Police Department for the 2024 Point-in-Time Count that was taken on January 25. We believe that their support qualifies as a contribution by the City of Kyle to this year's Count which is a Continuum of Care activity that the Homeless Coalition of Hays County facilitates with THN's direction.

The Coalition looks forward to supporting Kyle's use of a portion of the CDBG grant funds that will address issues related to preventing and/or ending homelessness in your community.

Thank you for the opportunity for our input for your Five-Year Plan.

Nancy Heintz

Co-Chair

Homeless Coalition of Hays County

Community Needs Assessment Survey Needs Assessment Survey for Community Development Block Grant Program

The City of Kyle has been identified as a potential Entitlement Community for the Community Development Block Grant (CDBG) Program through the Department of Housing and Urban Development (HUD). As part of this process, the City will be preparing a 5-Year Consolidated Plan. Part of this plan includes community participation. This Community Needs Assessment Survey will be the first step in the process for community engagement. We invite you to participate in this survey and sign up to receive notifications for future surveys or participation events.

The City will be hosting a Needs Assessment Community Workshop on October 26, 2023 at City Hall, 100 W Center, Kyle, TX 78640.

Please answer the following demographic questions.

1. What is your age?

- Under 18
- 18-24
- 25-34
- 35-44
- 45-54
- 55-65
- 65+
- Prefer not to say

2. What is your gender?

- Male
- Other
- Prefer not to say

3. How many people live in your household?

- 1
- 2-3
- 4-5
- 6+

Prefer not to say

4. Which race or ethnicity best describes you? (Please choose only one.)

White/Caucasian

Black or African-American

Hispanic

Asian or Pacific Islander

American Indian or Alaskan Native

Multiple Ethnicity

Prefer not to say

Other (please specify) _____

5. If you would like to be notified about upcoming survey and events related to the Consolidated Plan and CDBG, please provide your email and/or phone number.

Please review and fill out the questions below by selecting ONE checkbox per question. Review of all responses will help determine priority needs that will be shared during the Needs Assessment Community Workshop on October 26, 2023 from 6:00 PM to 7:30 PM at City Hall, 100 W Center St. Kyle, TX 78640.

The following questions are sequential and do not indicate rank or importance.

	Great Need	Some Need	No Need
Job Training			
Homeless Shelter			
Counseling, referral support services			
Rental Assistance			
Newly constructed low-income housing			
Homeowner Downpayment Assistance			
Mixed-Use Housing			
Lower land costs			
Reducing lot(s) zoning restrictions to assist with ease of building			

Homelessness Prevention (rent and utility assistance)			
Special Needs Housing - elderly, frail, persons with mental, physical, and/or developmental disabilities, persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, persons suffering from domestic violence, dating violence, sexual assault, or stalking.			
Parks and Playgrounds			
Street Lighting			
Senior Center, Library, Recreation Center(s)			
Construct sidewalks, natural trails, and multi-modal trails (the Vybe)			
Infrastructure Improvements - wastewater/sewer lines			
Infrastructure Improvements - drinking waterlines			
Infrastructure Improvements - Stormwater Conveyance			
Increase access to public transportation or the Uber \$3.14 Program			
Increase access to grocery stores			
New construction or reconstruction of roads			
New regional wastewater treatment plant			
Downtown Revitalization			

Explain why you identified your greatest community need(s) in the Needs Assessment Community Survey questions. If you have more than one, pick one and specify which one is the focus of the explanation.

How can the City of Kyle address, meet, or solve the community need you identified as greatest in the Needs Assessment Community Survey? Focus your response on the same community need as identified in the explanation above.

What obstacle(s) do you see in getting your chosen greatest community need met? How can the obstacle(s) be overcome?

Name any activities and/or programs that a local organization may already be carrying out that would support any of the Community Needs in the Needs Assessment Survey. Please include the organization name and contact information.

Do you have any other information to share or a community need that should be added to the survey?

Plan Consolidado EVALUACIÓN DE NECESIDADES ENCUESTA COMUNITARIA

La ciudad de Kyle está identificada como una ciudad con derecho a beneficios por el Departamento de Vivienda y Desarrollo Urbano de los Estados Unidos, y como tal, recibirá una cantidad estimada de \$212,780.00 en financiamiento anual para el año fiscal 2024 a través de la Subvención Global de Desarrollo Comunitario (CDBG). La cantidad de cada subvención CDBG que recibe cada ciudad con derecho a beneficios se determina mediante una fórmula establecida por ley. Dentro de las limitaciones legales del programa CDBG, la Ciudad de Kyle puede desarrollar sus propios programas y prioridades de financiamiento.

La Ciudad de Kyle debe desarrollar y presentar a HUD un Plan Consolidado de cinco años, que incluya un Plan de Acción para el primer año, para poder recibir su subvención anual de CDBG. El plan consolidado debe identificar sus objetivos para los programas de CDBG. El plan consolidado incluye una evaluación de necesidades, análisis de obstáculos a la vivienda justa, análisis de mercado, plan estratégico con objetivos y un Plan de acción anual para cada uno de los cinco años cubiertos por el plan consolidado. La consulta y la participación ciudadana están incluidas en cada fase del desarrollo del plan.

La Ciudad de Kyle desarrolló un Plan de Participación Ciudadana que documenta los procedimientos de la ciudad para fomentar y permitir la participación ciudadana en el desarrollo y presentación de un plan consolidado, así como enmiendas sustanciales al plan, y los informes de desempeño se detallan en el plan. El período de comentarios públicos para el plan fue del 06/28/23 al 7/14/23; no se recibieron ningún comentario. La resolución del consejo municipal para adoptar el plan fue aprobada el 7/18/23.

Las actividades no elegibles para los fondos de CDBG de HUD y la Asociación de Inversiones incluyen: adquisición, construcción o reconstrucción de edificios para la conducta general del gobierno, actividades políticas, ciertos pagos de ingresos y construcción de viviendas nuevas por unidades de gobierno local en general.

Regístrese para recibir actualizaciones y ser notificado sobre encuestas y eventos próximos relacionados con el Plan Consolidado.

09/01/23 to 10/16/23

Plan Consolidado - Encuesta de la Evaluación de Necesidades Comunitarias:

Por favor, revise y complete la tabla a continuación colocando una "X" en UNA caja por fila. La revisión de todas las respuestas ayudará a determinar las necesidades prioritarias que se compartirán durante el reunion de evaluación de necesidades en Octubre 26, 2023, 6:00pm to 7:30pm, Cámara del Consejo Municipal, 100 W. Center St, 78640.

1. Encuesta de Evaluación de Necesidades Comunitarias - CIUDAD DE KYLE

Necesidad Comunitaria	Gran Necesidad	Alguna Necesidad	Sin Necesidad
Entrenamiento Laboral			
Refugio para Personas Sin Hogar			
Asesoramiento y Servicios de Referencia			
Asistencia de Alquiler			
Viviendas de Bajos Ingresos de Nueva Construcción			
Asistencia para Pago Inicial de Vivienda			
Viviendas de Uso Mixto			
Reducción de Costos de Terrenos			
Reducción de Restricciones de Zonificación de Lotes para Facilitar la Construcción			
Prevención de Personas Sin Hogar			
Ayuda de hogar para la jente anciana, la jente que abusa el alcohol, jente que abusa las drogas, personas con VIH/SIDA y sus familias, y personas que sufren de violencia doméstica			

Necesidad Comunitaria	Gran Necesidad	Alguna Necesidad	Sin Necesidad
Parques y patio de juegos			
Iluminación de Calles			
Centros de Recreación			
Construcción de Aceras			
Mejoras de Infraestructura – Lineas de alcantarillado			
Mejoras de Infraestructura - Líneas de Agua			
Mejoras de Infraestructura - Conducción de Aguas Pluviales			
Aumento del Acceso a Tiendas de Comestibles			
Nueva planta de tratamiento de agua			
Nueva planta de tratamiento de agua residuales regional			
Revitalización del centro comercial			

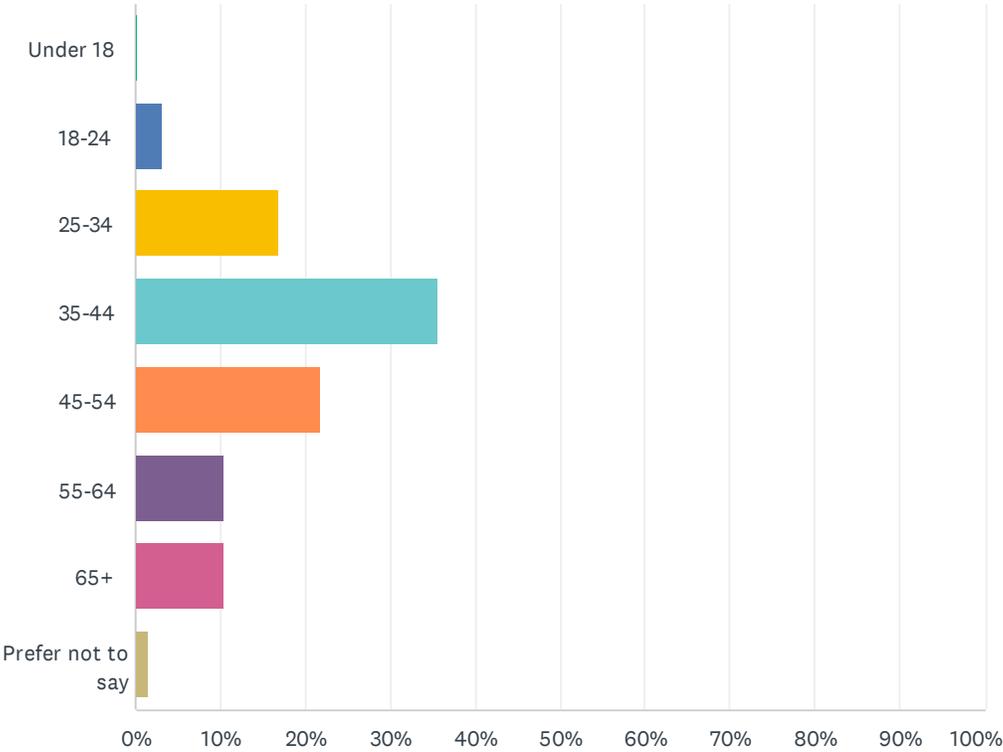

- 2. Explique a continuación por qué identificó su mayor necesidad comunitaria en la tabla de la encuesta de evaluación de necesidades. Si tenía más de una, explica cuál es el enfoque de la explicación.**

- 6. Tiene alguna otra información para compartir o alguna necesidad comunitaria que deba agregarse a la tabla anterior?**

Fecha: _____

Q1 What is your age?

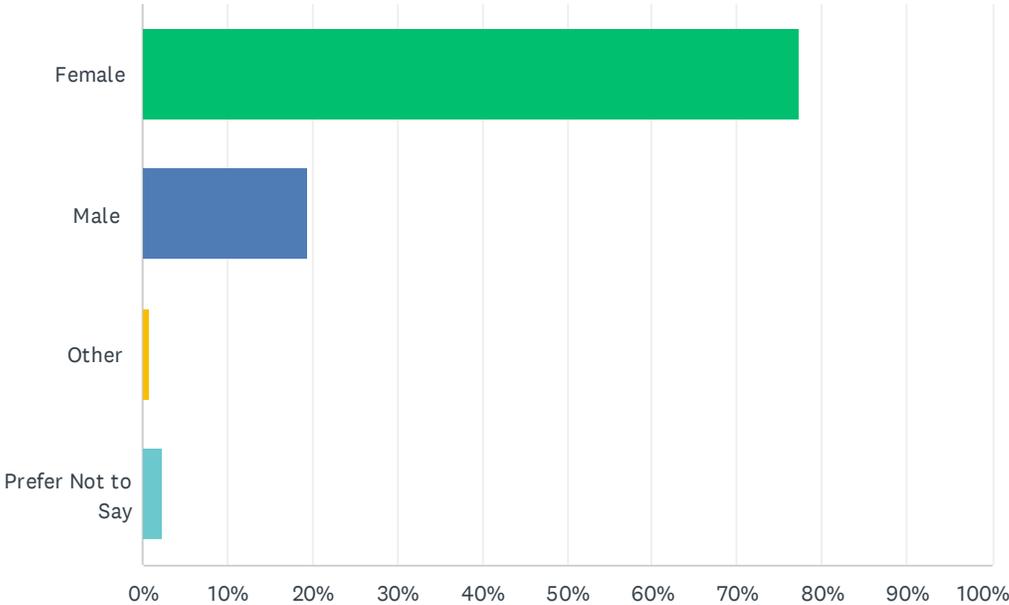

Answered: 354 Skipped: 0

ANSWER CHOICES	RESPONSES	
Under 18	0.28%	1
18-24	3.11%	11
25-34	16.95%	60
35-44	35.59%	126
45-54	21.75%	77

Q29 Explain why you identified your greatest community need(s) in the Needs Assessment Community Survey questions. If you have more than one, pick one and specify which one is the focus of the explanation.

Answered: 165 Skipped: 189

#	RESPONSES	DATE
1	Better infrastructure is needed to help Kyle expand wisely and make the community both immediately attractive and sustainable in the long term. We cannot forget those who are less fortunate than others, but wise growth and job training should help everyone.	10/15/2023 7:44 PM
2	We need better road fast!	10/14/2023 9:32 PM
3	The traffic on the west side of Kyle is horrendous. Taking Jack C Hays Trl and 1626 to get to Austin is terrible.	10/14/2023 9:21 AM
4	more grocery stores	10/13/2023 10:38 AM
5	Because if we don't invest in these needs Kyle will become an unlivable dump as it grows.	10/13/2023 10:05 AM
6	Housing costs are causing homeowners to sale, rent is expensive and goes up beyond three times income without consideration of tenants facing homelessness, road hazards due to bad roads, dips in the roads, nails, etc. are costing residents more out-of-pocket expenses, we are building restaurants but no parks or child-friendly recreation areas, the access to get to some of these places are inconvenient having to go on the interstate and do turn-arounds just to get two or three blocks, no bus line transportation for those who do not have cars or can't afford one and car insurance too, elderly not having their own community housing or assisted living communities that is more affordable	10/13/2023 9:29 AM
7	I'm very worried that all the new-build subdivisions are going to push out affordable housing.	10/13/2023 12:49 AM
8	The biggest need right now is rental assistance and helping prevent those struggling from going homeless	10/12/2023 11:55 PM
9	The roads are abysmal and traffic patterns a bear.	10/12/2023 10:54 PM
10	Kyle needs to get it together with their water. We just moved here from Austin and pay almost triple our old water bill. How do you charge almost \$100 for nothing, before our actual water cost? That fee is robbery.	10/12/2023 10:49 PM
11	The Disabled Adults, under 55, have absolutely NO affordable housing apartment complexes in Kyle. There is definitely a NEED for this!! So many 55+ apartment complexes are here in Kyle that are Income Based. There's nothing here for adults living on Disability Social Security checks that is affordable.	10/12/2023 10:36 PM
12	Roads and infrastructure. Specifically on the east side of 35. Some of the worst roads I have ever driven on in my entire life.	10/12/2023 7:45 PM
13	The original residents of Kyle have been taxed out of their homes and need assistance to continue their lives in the city they love. Downtown could be so amazing with the support of local businesses and reducing local business taxes and startup costs. Land cost has grown outrageously. Noone can afford to be landowners anymore to be able to grow their own food or raise livestock to earn a liveable wage.	10/12/2023 7:26 PM
14	A revitalized downtown area with local businesses. Everything being built now if being taken over by national chains.	10/12/2023 7:22 PM
15	We need new build that are geared for starter homes or patio homes with a cost under 250k, better roads- please fix old stage coach rd. Our downtown needs to do what Buda has done. We have the space to make center st something to be proud of.	10/12/2023 5:00 PM
16	All them important. Street lighting in neighborhoods	10/12/2023 4:49 PM

Community Needs Assessment Survey

17	We are at a pivotal time in the growth of Kyle. Our choices in the next few years will determine much about Kyle's role in our county, state, and country. Parks, walkability, public spaces, housing affordability, and a continued focus on taking care of all members of our community will help Kyle grow into a city worth emulating nationwide.	10/12/2023 4:47 PM
18	Downtown could be a great attraction and bring in lots of revenue if it's was revitalized to include shops, restaurants, bars, and an improved playground for kids. Papa Jack's burned down and it was turned into a parking lot. It needs to be rezoned and advertised to a new restaurant/bar.	10/12/2023 4:25 PM
19	People are moving here by the droves , so we need to be prepared for what comes with a fast growing community, and set up the people of Kyle for success. Education needs to be looked at as an investment in the future of Kyle .	10/12/2023 4:07 PM
20	Roads are very important and unless you are on I-35 the roads are really bad. Example: Bebbe Rd	10/12/2023 3:34 PM
21	The water issue is an obvious problem and needs to be fixed. Another issue is there's no where to work out and exercise!! I was excited years ago when I heard there'd be a community gym facility near the development by PAC center. But now it seems like that's not happening. PLEASE build a gym such as the San Marcos Activity Center or the Cedar Park Recreation Center!! These places are wonderful AND affordable! Cedar Park's 48k Sq ft center is only \$25/month for family's! Desperate to be healthy in this awful heat (now weather is nice but a large part of the year it's not) but don't have time nor money to drive to the gyms in Austin. We need one here in Kyle pretty please!!!	10/12/2023 2:10 PM
22	Greatest need is to make life easiest and or better — whether that be home values or infrastructure improvements — for CURRENT residents. More focus on existing residence and less on attracting more residents.	10/12/2023 12:22 PM
23	Kyle is growing faster than the current infrastructure can keep up. There also seems to be no strategic vision with regards to the development that is happening.	10/12/2023 12:03 PM
24	Fix the roads by Bunton reserve!!! This side of 35 is forgotten about!	10/12/2023 11:03 AM
25	A Senior Community Center to be a resource for all aging related topics	10/12/2023 10:11 AM
26	Still growing and needs so much a bigger city offers.	10/12/2023 9:42 AM
27	Housing	10/12/2023 9:33 AM
28	The City of Kyle has undertaken massive commercial development with little to no consideration or planning for infrastructure. The city is almost at an emergency level need for roads improvements across every area except new development areas. Some roads are nearly impassible in certain vehicles. We are nearly out of water. We do not have enough police for our population. This city needs help and it is unfortunate that planning wasn't properly done but citizens are the ones paying for it now. We need the help. The cost of living in Kyle is creeping up to the level of Austin and housing will be completely unsustainable for most people in less than five years if we do not have some help quickly.	10/12/2023 9:32 AM
29	Everyone needs somewhere to go for free, to interact with other people	10/12/2023 9:16 AM
30	The roads on the east side of IH35 need to be fixed, but not all at once, no one wants that traffic nightmare.	10/12/2023 8:53 AM
31	Our downtown area is sad and embarrassing. It is a perfect location for small non-chain businesses and restaurants, and has huge potential to be a nice area for strolling and for community gatherings, but it seems to be completely neglected by our local government. Small businesses do not seem to have any incentive to be there, and the few promising ones that have tried have been mysteriously forced out.	10/12/2023 8:43 AM
32	Giving people money to live won't solve the problem of Kyle becoming unaffordable. What will help is a total overhaul of the Kyle Water Dept. The cost of water in this town is worse than anywhere Ive ever lived.	10/12/2023 8:41 AM
33	Then infrastructure is complete crap. I'm all for development, but you HAVE to be able to provide adequate utilities and have the roads in place BEFORE you continue to add to the population. CoK has a habit of "build now, figure out the problems later"...and that's a major issue.	10/12/2023 8:38 AM

Community Needs Assessment Survey

34	The roads are horrible and the traffic patterns are not well thought out for the influx of people. The HEB is not enough for the influx of people.	10/12/2023 8:26 AM
35	Kyle is no longer the small town I once knew. It's over populated and the city has flatten out land where there was once greenery.	10/12/2023 8:14 AM
36	Road infrastructure has not kept up with the growth. This is the biggest pain point for residents and needs to be addressed first as I don't see development slowing down and road conditions, traffic, and access are only getting worse	10/12/2023 7:09 AM
37	The roads in Kyle have been severely neglected. Taxes are high in Kyle, we need to direct funds into our infrastructure as they are only worsening.	10/12/2023 6:30 AM
38	The downtown needs something more than just the nice city park to draw us to that area. We need small independent restaurants, boutique stores, and coffee houses. Etc. Something more upscale. Something that will draw you to Kyle.	10/11/2023 11:42 PM
39	With the growth of Kyle, some areas have outgrown the roads. Downtown/Center street needs to be revitalized with more businesses, real restaurants (not fast food) boutiques to get the community out in Kyle instead of Buda.	10/11/2023 11:12 PM
40	The downtown area is in great need of a major update! It could bring so much to the city to have local shops and businesses up and down center st	10/11/2023 10:13 PM
41	The city of kyle is growing and all the new construction is bringing a new demograpgic and needs. To attract buisness and retain we need infrastructure inplace.	10/11/2023 8:30 PM
42	Healthy food options, road updates	10/11/2023 7:48 PM
43	Road improvements, growing too fast to keep up.	10/11/2023 12:43 PM
44	Kyle lacks mom and pop businesses. Roads are too congested around H.E.B. Parks lack bodies of water and trees Need more bike paths and buses	10/11/2023 12:18 PM
45	There is too much residential and multifamily development and not enough parks. Kyle doesn't even have enough water for its current Residents. We need to stop building apartments and neighborhoods until utilities stabilize. The more Kyle develops, the less vegetation and parks there are, which leads to increased urban heat and less rain in the area. Kyle also needs more family friendly parks and restaurants with access to covered playscapes.	10/11/2023 11:22 AM
46	Before we keep encouraging residential expansion, we need to make sure we have the infrastructure to meet current demands.	10/11/2023 10:00 AM
47	The infrastructure is needed greatly, we don't need the programs to bring more low income people to Kyle. We don't need to build more neighborhoods or apartments we need the resources for the current residents first!	10/10/2023 10:52 PM
48	Whoever wrote this survey is stupid. It forces me to quantify if there is a need.....but I may not know the answer, so my forced random answer invalidates the data. Please tell me my tax dollars were not used to pay for this extremely poorly written document that forces massive data irrelevance. That's irresponsible.	10/10/2023 10:33 PM
49	Roads for Bunton Creek Sidewalks from Lehman HS for Bunton Creek	10/10/2023 7:59 PM
50	We need to improve quality of life for our current residents, not downgrade our standards to attract new migrants.	10/10/2023 7:29 PM
51	Street lights is an issue in our community. I do not feel safe taking a walk at night because the subdivisions are very dark.	10/10/2023 7:06 PM
52	If downtown grows businesses then entire community benefits	10/10/2023 4:07 PM
53	affordable housing becuase the outlying cities are too expensive and more families and eledery are moving to Kyle on fixed income (seniors) or new income (young families).	10/10/2023 2:48 PM
54	The greatest need in Kyle is a new grocery store on the east side of Kyle. HEB is always crowded and Walmart has a comparatively limited selection of scratch goods and is very often low or out of stock on fruits and vegetables. Target can't be considered more than a corner store and costco is members only and sells only in bulk.	10/10/2023 11:27 AM
55	There are too many roads in Kyle that are dangerously worn out. Pot holes and uneven roads.	10/10/2023 11:10 AM

Community Needs Assessment Survey

Also, with all the new neighborhoods made and coming, it seems that no plan was drawn up for traffic direction and water use.

56	Infrastructure in general is necessary. I don't know what genius decided to keep adding subdivisions without updating the roads or water capacity.	10/10/2023 10:45 AM
57	26. Horrific roads currently, especially on the east side of 35. Supposed temporary resurfacing in front of Lehman and a driving school, where lines were never painted. Road will not be touched for 2 more years. Goforth Rd, Beebee Rd, Bunton LN are all death traps for cars & tires. And why isn't there a sidewalk running east from Lehman? Forces kids to walk in a ditch that is never maintained or walk in a road that isn't wide enough for cars swerving to miss potholes.	10/10/2023 10:44 AM
58	Roads, the roads West of downtown are rudimentary and will not scale with the housing development in the area	10/10/2023 10:34 AM
59	We need to preserve the lands and revitalize what we already have - stop ripping out the trees for concrete slabs and ridiculous amounts of new, yet questionably attainable, housing.	10/10/2023 9:12 AM
60	Downtown revitalization. We need more family owned restaurants and shopping options. Revitalization of downtown should also include laying a new railroad track somewhere else and rerouting the train on the new route so that it doesn't go through downtown. The train comes at the most inconvenient times and blocks multiple roads leading into Kyle. It also causes traffic to be backed up and could delay EMS/Fire/police from getting to where help is needed.	10/9/2023 8:13 AM
61	As the city grows, it is important to make the area a space that we want to live, that is healthy, that has good infrastructure, and that people want to be in and visit. Parks and roads definitely contribute to this. Water in Kyle is hard and damages pipes without softener installation, but if water treatment were improved, the damage to home would lessen.	10/8/2023 6:53 PM
62	Job Training. Many of our high school graduates are stuck at low end jobs with no chance of advancement. Our community would be stronger if our citizens can support their families with well paying jobs.	10/8/2023 12:35 PM
63	To many complexes and sub divisions being built and the roads are not large enough to handle. We shouldn't have to wait at a red light 3x just to get through.	10/8/2023 7:32 AM
64	Kyle is growing and growing. Better roads, helping the poor, elderly, beautify downtown, will help people	10/7/2023 9:11 AM
65	The biggest focus in my opinion needs to be placed on new construction or reconstruction of roads. Especially on the east side where the city is approving all these subdivision be built without the roads to handle the incoming traffic.	10/7/2023 6:09 AM
66	I want to see more availability and accessibility to nature such as nature trails. I want Kyle's roots of farms and farmland to be highlighted & celebrated not bulldozed.	10/6/2023 8:03 PM
67	Please stop building homes. There are enough. The traffic is terrible. Plus there is no water. Why keep building when there is not enough water. Mitchell is terrible.	10/6/2023 7:43 PM
68	This survey does not allow the respondent to pick their greatest need. The questions limit us.	10/6/2023 5:52 PM
69	Kyle is a hardworking middle class community and the residence cannot keep up with cost of housing. I feel like the biggest need in Kyle that will benefit all generations is more affordable housing options/subsidized housing.	10/6/2023 5:39 PM
70	I don't see "Water Conservation" as the greatest threat facing Kyle. This is directly tied to the unbridled growth being promoted by the city and the planning & zoning people. More houses, smaller lots, more water use, etc. It doesn't make any sense to me to keep pretending our water resources are unlimited. The current mayor and many of the council members promote only big chains. It seems as if the mayor hates small businesses, but they are the key to promoting some type of identity for Kyle. The "pie capital" idea is ridiculous, since it is based on only one restaurant (with less-than-stellar pies anyway).	10/2/2023 10:30 AM
71	Almost all of the above are nice to have, but our community NEEDS more water. All of Texas, especially as folks continue to flood in from other states, needs ways to get the most use out of the water our state has so that there's enough to drink and support irrigation even in continuing drought.	10/2/2023 10:28 AM
72	This city is in danger of just becoming a bunch of concrete if it is not careful with the way it's	10/1/2023 6:12 PM

Community Needs Assessment Survey

building. There is a need for more green space—planned parks and playgrounds—more than what I’ve seen marked on any plans. There is also a need to make broader roads at the same pace as the city is allowing these huge neighborhoods to be built. Don’t become a cookie cutter “mixed use development—three stories of generic rental housing on top of shops no one wants” town. That is so boring and cookie cutter.

73	The city is growing so fast, it seems like the roads/infrastructure and maintaining of parks/nature is not keeping pace.	10/1/2023 4:58 PM
74	Accessibility to grocery stores, and infrastructure top 2.	10/1/2023 12:14 AM
75	Kyle needs to make sure families that were here before the housing boom are still a vital part of the community they help establish.	9/30/2023 3:01 PM
76	Assistance for marginalized residents of Kyle is kind, humane, and fiscally responsible. Education, career training, trade school and after school programs are also important and not mentioned. Support 4-H, Scouts, Boys & Girls Clubs to create future ethical leaders with great skills.	9/29/2023 11:56 PM
77	I work at the LMHA and the housing and financial needs of the community are sending people into crisis every day. I work 40+ hrs a week and can’t afford to live on my own in Kyle.	9/29/2023 10:38 PM
78	We need more infrastructure to support the increased population that the city council continues to approve. We also need to determine how with all of these additional housing structures, we will be able to have enough water when we're already having to buy additional water from San Marcos. We also need more grocery stores and non-chain restaurants and businesses.	9/29/2023 10:09 PM
79	New road or road improvement is greatly needed as growth has outstripped what our current road can handle	9/29/2023 6:42 PM
80	There needs to be a lot less Industrialization in Kyle and more housing for the low income. The main low income apartment, the yellow one by Plum Creek is renting for a single bedroom 1000.00 per month. That is now low income. Not all low income people can afford that. We need elderly and disabled housing.	9/29/2023 5:34 PM
81	biggest need is to develop water infrastructure BEFORE selling more water taps to get new property taxes.	9/29/2023 4:18 PM
82	I just purchased a home and if taxes and utilities keep going up I will have to sell and go back to renting. Homeownership is exponentially more expensive that I thought it would be. I sometimes regret buying my home. Also the roads are horrible they are beating up my tires and causing me to swerve away from potholes.	9/29/2023 8:42 AM
83	As a mom of a baby and toddler, I would like to see an all abilities park that has a fence around but a gate to open for the entrance. No one likes to chase a toddler running out from the designated area. Parents want to just relax while watching their children(s) play safely. Plenty of shady, Texas sun is no joke and benches for sitting. Even just a hiking trail with trees for shade and some outdoor obstacles/activities for the children(s) along the way. I love being outdoors and would love to do it locally with my little ones instead of driving into Austin/San Marcos. The library has been great but I see a lot of the parents there with their children(s) during the story times throughout the week. It would be great to see the library expand with a play area indoors. Definitely isolate a designated area, not everyone wants to hear screaming children(s).	9/29/2023 6:36 AM
84	Too much growth with no real plan for matching infrastructure	9/28/2023 7:59 PM
85	this city is too gentrified i.e. too many chain retailers. Where is the mom and pops? businesses are in mostly on a few streets causing horrific traffic problems. I'm from Austin, a city of about 1 million people and never experienced traffic this bad. Not enough trees, cannot hear any crickets, grackles, cicada or other nature in Steeplechase. Just sky rats (aka pigeons).	9/28/2023 5:36 PM
86	Revitalizing downtown is very much needed - it's dead right now and it's such a shame. It could be a beautiful historic and charming area with cafes, nice restaurants, and maybe some entertainment like a comedy club or theater for live performances. This is the heart of our town and it's sad to see empty and crumbling buildings. All infrastructure needs to be updated and ready to service the thousands of new residents and businesses coming in. Especially when it comes to water! Fix our pipes, secure additional sources for water like water reuse, and promote a rainwater harvesting and native landscape rebate program. Can we get a Trader	9/28/2023 5:03 PM

Community Needs Assessment Survey

Joe's? There is only one grocery store on either side of the highway in Kyle. That's not enough for our growing population. Our population demographic is also changing and something like Trader Joe's would be perfect. They're incredibly affordable while also offering a variety of natural food options. There are more young families here in Kyle than ever before. Out with the old in with the new please! Thanks for all you do.

87	The biggest problem is the roads. Traffic is horrific for a town this size. We live by Lehman and the narrow roads and lack of stoplights can cause a 1-2 mile drive to take 20-30 minutes. It wastes time and money to have to be stuck in that kind of traffic. If you want to keep building subdivisions, make builders contribute to widening roads and figuring out traffic management. I am worried our house value will remain low because of the location amidst this terrible road situation.	9/28/2023 9:18 AM
88	Mental Health services are the greatest need. Teen and young adults are struggling and face a months long wait for services.	9/28/2023 7:18 AM
89	Revitalize downtown keeping its original buildings and charm.	9/28/2023 6:17 AM
90	We are growing too fast to maintain what we have. We need to slow down and stop overextending ourselves and focus on the community we already have. We have an elderly population that's not being taken care of. With all the growth and increased cost of living we are pushing ppl to the streets, and causing a huge strain on electricity and water. Not everyone in Kyle is married two income household, nor should those families be punished and taxed out of their homes because of it. Please slow down on the growth.	9/28/2023 6:15 AM
91	This small town is growing at a rapid rate and needs to keep up with the needs of the growing population	9/27/2023 11:38 PM
92	We do not need any more housing or subdivisions. We do not need any more stores. We need better roads for all the people who moved here because of all of the developments that we're allowed by the Mayor and the City Council. We need sewer & water line improvement and all that comes with that. We need more open spaces, park's & playgrounds.	9/27/2023 9:24 PM
93	Increase acces to grocery store we need more grocery stores	9/27/2023 9:22 PM
94	Parks are needed all around, even small ones to keep the natural scenery of Kyle alive and shared, not just the fancy Subdivisions with their own parks/golf courses, use the empty land for small community parks.	9/27/2023 9:15 PM
95	Downtown revitalization is in need of fine dining and interesting boutiques similar to buda downtown strip off of main strip, but before we get that needs road improvement in that area it's a hard area to get to and hard area to park at and people drive too fast down Main Street in downtown kyle, it's not safe	9/27/2023 8:47 PM
96	Fix roads and less building of apartments. A Rec center, more pools, better activity and activity center.	9/27/2023 8:04 PM
97	Kyle is growing too quickly - too much housing and not enough infrastructure. There is not enough water to go around. We need to leave some green space for people to enjoy	9/27/2023 7:42 PM
98	Wastewater Treatment Plant because of low water levels.	9/27/2023 5:10 PM
99	Roads and sidewalks are very high need items, I believe. As Kyle continues to expand, the roads need to match the increased usage and be well maintained to stand up to the increased traffic. Many places around town have no sidewalk or sidewalk that just ends, which could be expanded as well.	9/27/2023 3:35 PM
100	More security in the area. Law enforcement	9/27/2023 2:11 PM
101	We need infrastructure-water systems and streets (both new and improvements). There needs to be lighting on Goforth East of Lehman HS.	9/27/2023 12:44 PM
102	There needs to be many more east/west and north/south roads Traffic is a bottleneck everywhere. The restrictive access to and out the businesses creates more traffic congestion. Having four or five parking lots entrances for 25+ businesses again causes more traffic headaches.	9/27/2023 11:03 AM
103	We need more sidewalks!! More specifically we need sidewalks to be finished, there are multiple unfinished sidewalks that lead into another grassy area that defeats the purpose of having a sidewalk. Just finish them!	9/27/2023 10:45 AM

Community Needs Assessment Survey

104	Roads in Kyle are some of the worst I have seen. The struggles will get worse with continued growth. We don't have enough road infrastructure and what we do have is in horrible condition and worsening by the day. Also lowering the price of water for customers will ease a large financial burden to residents. Finally, Kyle does not have enough water. Existing residents are suffering as more and more developers build and install new sod and water as they please despite many restrictions which residents are ticketed for.	9/27/2023 8:58 AM
105	We desperately need another grocery store. H-E-B is beyond crowded	9/27/2023 8:44 AM
106	Downtown looks very disheveled. As a gateway to the Hill Country, downtown Kyle has a significant branding opportunity. The water crisis is real. Our city should develop a real water conservation board that can implement best strategies for water conservation, and recycling.	9/27/2023 8:25 AM
107	More smaller grocery store options. Love H-E-B but sometimes overwhelming if I just need one or two items quickly.	9/27/2023 8:18 AM
108	I really think we need another H-E-B. I understand that there's little grocery stores popping up on the east side of Kyle but we DON'T need that. We need a true grocery store...we need an H-E-B on this side. This side of Kyle is getting massive and we have to travel to the west side where that H-E-B is already bursting at the seams with people. I think you'd find a lot of support for this. There is so much land over on this side. Yes, we need more housing as this area grows but are you really going to pack this side of Kyle out and leave us with one H-E-B? I'm telling you, if you ask us east side folks, we CONSTANTLY talk about needing another H-E-B. As for the other item I rated as a great need, as someone who moved here from downtown Austin, I'd love a place with trails, etc. to ride my bike on this side of town. Also, please put some traffic lights on the east side of 150. The amount of speeding and accidents is ridiculous. We're also getting trapped in our neighborhoods in the morning and afternoons when traffic is crazy on 150.	9/27/2023 8:03 AM
109	Do not ruin the suburbs. Keep your democrat created problems in the city. The last president warned about how you would come to ruin the subutbs. It's already happening— no more homeless, drug addict, cartel supporting crap — STOP IT.	9/27/2023 7:50 AM
110	Kyle needs more trails and nature areas. I have to drive to Buda or San Marcos just to go hiking.	9/27/2023 7:11 AM
111	Our property taxes are high w no youth centers no activities for families.	9/27/2023 6:23 AM
112	I'll focus on road construction/reconstruction. We bought our home in 2016 and since then have seen a massive uptick in traffic issues especially where we live. The roads around 150, old stagecoach, jack c hays trail and kohlers crossing have become very congested in morning's and afternoons. Getting from my home to ARC one morning took almost an hour when it should've taken 10 minutes max. Because there's so many more cars, the traffic backs up the entire area I just described especially during school drop drop off and dismissal times.	9/27/2023 6:04 AM
113	Downtown revitalization. Our downtown is sad and not a place the community likes to be, the only thing everyone likes is the new playground at Mary Hartson park. We need more local businesses and greater walkability. Need antique stores, boutiques, cafes, music and book stores, plant store, gallery, etc.	9/27/2023 5:07 AM
114	Water and wastewater are critical for both businesses and residents, as well as our environment in general, and we have been behind in recognizing and addressing these needs.	9/26/2023 10:45 PM
115	Downtown is so disjointed and ugly. We should work to join the Main Street program. Also the roads are terrible all over the city. We need a lot of repaving. Also as the water crisis increases all over the state, it would make me feel more secure as a homeowner if I knew the city had a plan for water usage.	9/26/2023 10:13 PM
116	new construction and re construction of roads, many new homes are being built in kyle, where the roads are super bumpy with a bunch of holes, this is going to affect us so much traffic wise safety wise. lower land costs and low income help is super important because jobs are not paying enough to where we can live in a decent home, with out having to stress about stretching every penny. If they want to charge more for owning, renting a home they need to up our pay.	9/26/2023 9:57 PM
117	Downtown really needs new development	9/26/2023 9:28 PM

Community Needs Assessment Survey

118	I have needed to refer someone to a homeless shelter before and there really isn't much outside of San Marcos and Austin. I'm sure areas are constantly full due no affordable housing in this area. If anything I hope we can just do more to assist housing insecure folks.	9/26/2023 8:51 PM
119	More side walks cross walk and stop sign on Burleson and Austin a stop sign on veterans for the kids who walk to Wallace middle school	9/26/2023 8:43 PM
120	Middle and lower class are being priced out. Our own kids can't even afford to own a house in the town they grew up in. Lots of people moving in, including businesses and No infrastructure to support it. Water is a major crisis! Downtown is a disaster compared to any of the surrounding towns, including Buda.	9/26/2023 8:35 PM
121	Do you have eyes? A car? A house? The fact that you need a survey to identify issues speaks volumes to the lack of experience and qualifications running this town.	9/26/2023 7:45 PM
122	Public transportation to reduce traffic, cost of gas and road damages. Better for environment. Allowing people to find jobs by getting access to Austin and San Marcos where jobs are.	9/26/2023 7:13 PM
123	We need another grocery store and better roads to alleviate congestion. We are building up so fast that the roads and the one real grocery we have are not enough.	9/26/2023 6:58 PM
124	Need for mental health services	9/26/2023 6:43 PM
125	KYLE NEEDS DRINKING WATER!	9/26/2023 6:37 PM
126	Roads need improvement especially on east side of i-35	9/26/2023 5:06 PM
127	I hope the city will prioritize walkability and public transportation instead of building more and bigger roads. We just endured the hottest summer of all time; this isn't going to get any better unless we drastically change our way of life. Not to mention that it's boring and ugly living surrounded by asphalt and parking lots. But I realize this will probably not happen.	9/26/2023 4:35 PM
128	Infrastructure - Roads/Water etc. ALL need attention	9/26/2023 3:31 PM
129	We need public transportation to reduce greenhouse admissions for those who work in Austin.	9/26/2023 2:46 PM
130	Our infrastructure can NOT handle the amount of growth that the city seems to want to happen Also the rideshare program is just plain stupid, get us on a bus line that goes into Austin and into San Antonio.	9/26/2023 2:12 PM
131	The east side of Kyle needs major overhaul of roads and other infrastructure and libraries, parks, rec centers need to be built on the east side. Stop forgetting or ignoring us	9/26/2023 1:57 PM
132	Kyle is growing and needs the infrastructure to support the growth.	9/26/2023 1:19 PM
133	More dog friendly place. Dog park with a section separate for small dogs. Hiking trails. The trails on the east side of Kyle have snakes when it rains.	9/26/2023 12:56 PM
134	Water and road infrastructure.	9/26/2023 12:25 PM
135	I am greatly concerned about the availability and price of water in our community, especially with more business and residential growth. Furthermore, I am interested in public transportation options that would reduce traffic congestion, particularly northbound, toward Austin. I thoroughly enjoy the parks the city has recently spearheaded, including our downtown Square and Heroes Memorial. I would like more covered walking trails that could increase pedestrian access throughout our city.	9/26/2023 12:12 PM
136	We cant afford it	9/26/2023 12:02 PM
137	Kyle is so behind on infrastructure for the Eastside and amenities.	9/26/2023 11:58 AM
138	So much building is happening with no change to roads or infrastructure.	9/26/2023 11:56 AM
139	We are overdeveloping without necessary resources to support this.	9/26/2023 11:43 AM
140	The city of Kyle is putting too much focus on brining in new business instead of focusing and spending to improve on what is already here as well as the needs of existing residents. Too many subdivisions being built without the infrastructure to withstand the new builds. Putting too much in too small a space so that parking is a nightmare to try and use the new amenities. No logic is being used when only \$\$\$ are on the brain.	9/26/2023 11:40 AM
141	Playgrounds and Rec center	9/26/2023 11:36 AM

Community Needs Assessment Survey

142	In addition to needing more sidewalks, we also need bicycle lanes on public roads. Bicycle lanes would provide more safety to pedestrians on sidewalks and also reduce cars. We also have citizens who don't have cars or can't afford a car.	9/26/2023 11:30 AM
143	Minus the Uber 3.14..... these should have been two questions. The main need is a public transportation system that's not reliant on Uber. Uber is expensive and only gives 8 rides per month. This isn't enough for any household. We are in great need of properly constructed roadways that don't look like highways in inner city streets. Remove the turning lane on Burleson and add two bike lanes. Praying a pedestrian accident doesn't happen with the newly constructed gas station on Burleson. Originally thought it was to be the supermarket only... now they're laying gas pumps.....this is so dangerous for all the homes. The person behind the poco loco going to Burleson should be fired as they rezoned when the roadway was closed and it was unethical as stakeholders were not all notified. Please place in a pedestrian stop walk there so our children don't get killed by the highway level speeds of Burleson. Also east side needs sidewalks and public transportation first and foremost. No more fatalities should happen due to not having infrastructure. People should feel safe walking home. Please pick a different contractor than you have been.... Sidewalks with no grass barrier look trashy and give no barrier between cars and pedestrians. They might as well be walking on the road.	9/26/2023 11:10 AM
144	We need a community workout / senior center. There is a great Senior community that needs access to stay healthy. Indoor Pickle ball would be a great addition. Also a community wide recreation facility where we can take classes in different interests. This would encourage a sense of community and a reason to stay here or move here.	9/26/2023 11:06 AM
145	We need a huge amount of infrastructure work on the east side of 35. We need quite a bit of financial assistance on the east side of 35 as well. The houses being built are displacing current residents who aren't able to keep up financially with land/build costs, as well as the ever exceeding property taxes. The east side is cut off from most of the major need resources.	9/26/2023 11:05 AM
146	We need water or everything you built here is for nothing. Plus we need low income housing so we dont have homeless people destroying everything	9/26/2023 11:01 AM
147	I selected mixed use housing as an area of emphasis because encouraging diversity of residential development types will provide a more stable long term financial outlook for the city, provide greater housing affordability, and increase the efficiency of public infrastructure.	9/26/2023 10:47 AM
148	I have young children and often have to go to other cities for them to play at parks, attend library age appropriate programs, take lessons for swimming, etc	9/26/2023 10:45 AM
149	Greatest need for elderly and medically challenged is tax decrease. Some elderly in Kyle are at risk of loosing their homes because of challenges trying to pay taxes.	9/26/2023 10:34 AM
150	We simply need more support from the tremendous growth. But please no more apartments.	9/26/2023 10:24 AM
151	Easier transportation in Kyle is needed to be able to access both east and west side. Ease traffic throughout the city. Bring businesses to downtown.	9/26/2023 10:24 AM
152	Kyle is not a destination people come too. The downtown area could be soo nice but it has old and run down buildings, zero restaurants and not a place I even want to go to. We need a better downtown.	9/26/2023 10:20 AM
153	Downtown revitalization. The buildings are in dire need of repair. We look like a trashy neighborhood.	9/26/2023 10:20 AM
154	The roads on east side need to be addressed, yes some will be in the works, but there are still so many that need to be addressed, along with having far too many homes and rentals in the area with old farm roads. Some Things to do in Kyle would be nice, bars, breweries, concert venues, more unique shopping. we have no reason to stay In Kyle when we want to go out, we else head to buda/San Marcos/new braunfels /wimberley for things to do	9/26/2023 10:20 AM
155	Sidewalks near lehman high school	9/26/2023 10:17 AM
156	Infrastructure improvements are pf the utmost importance as climate catastrophes continue. Homeowners are restricted from watering and then their gas and water pipes burst because the ground shrinks. If homeowners continue to be fined for protecting their investments, they're going to liquidate their investments and then all of the business that moved here won't have patrons. The city needs to get it's priorities straight.	9/25/2023 9:33 AM

Community Needs Assessment Survey

157	We need more things to do downtown Kyle for teens and young adults. There are lots of things for kids and seniors but not much for teens and young adults.	9/22/2023 11:29 PM
158	We need more natural space and less development and a way to reduce car useage, but it's not safe to ride bikes here and there's no place to store bikes in public places	9/22/2023 12:17 PM
159	transportation and access to resources	9/15/2023 9:54 AM
160	The low income population in Buda, Kyle and San Marcos is increasing at exceptional rates, there is very little to no low incoming housing options, no shelters at all and little resources for these families.	9/14/2023 12:17 PM
161	Counseling resources	9/14/2023 12:08 PM
162	I serve as the Homeless liaison for the district and over see the Title 1 programs. We are seeing a great number of people who are without stable housing. Many families are doubled up or are calling for shelter referrals or rental/deposit assistance referrals.	9/14/2023 12:03 PM
163	Special Needs Housing – lack of affordable housing is the largest hurdle for victims of family/domestic violence from leaving a violent relationship.	9/13/2023 12:35 PM
164	We have a growing population that needs the infrastructure to support it. The new housing costs are a huge barrier for new home purchases and if developers want to sell there new homes money could be set aside to lower these costs.	9/13/2023 10:45 AM
165	Roads need a lot of work. Affordable housing doesn't exist in Kyle.	9/12/2023 1:42 PM

**Q30 How can the City of Kyle address, meet, or solve the community need you identified as greatest in the Needs Assessment Community Survey?
Focus your response on the same community need as identified in the explanation above.**

Answered: 141 Skipped: 213

#	RESPONSES	DATE
1	I know that better water management is planned but should always be a priority. A lack of water will have many knock-on negative effects for everyone.	10/15/2023 7:44 PM
2	We need better roads fast!	10/14/2023 9:32 PM
3	Work with Buda to improve traffic flow getting to Austin. It should not take 30 minutes to reach HWY 45 from 6 creeks	10/14/2023 9:21 AM
4	Homeowner Downpayment Assistance	10/13/2023 10:38 AM
5	Investing in the topics mentioned above, ensuring roads are repaired before they become dangerous, ensuring there's enough water so we don't live 365 days on water restrictions	10/13/2023 10:05 AM
6	Put more thought in helping the community with affordable living/housing, ease of access to jobs, and recreation for children and elderly versus opening 10 new restaurants	10/13/2023 9:29 AM
7	Stop approving new builds.	10/13/2023 12:49 AM
8	Step back and let us j for ways to improve overall traffics patterns before approving new construction	10/12/2023 10:54 PM
9	Slow down in new construction and use the exorbitant money charged for water to update infrastructure	10/12/2023 10:49 PM
10	Build a Apartment Complex for our Adults with Special Needs so they can live independently.	10/12/2023 10:36 PM
11	Roads needs to be expanded and reconstructed before any further added housing developments	10/12/2023 7:45 PM
12	We need to fund our street repairs and road construction projects. The tax paying citizens of Kyle need to have higher quality streets. All roads, all sides of our City and ETJ.	10/12/2023 7:31 PM
13	Lower property taxes so citizens can afford to live. Make land affordable again for food to be grown/raised/sold locally cutting down on environmental impact while keeping kyle dollars in kyle. More sidewalks so people can safely travel to local spots, especially a revitalized downtown	10/12/2023 7:26 PM
14	A revitalized downtown area would create a center for the community and could represent the diverse residents of the city	10/12/2023 7:22 PM
15	Install more lamp post in all communities	10/12/2023 4:49 PM
16	Though there is only do much one city can do to address a nationwide housing crisis, we can act as leaders when it comes to the kind of community we want to cultivate. Our festivals, parades, market days, flea market, holiday events and downtown vibe are some of our greatest assets. Let's make more of the city more accessible to more people. We want to welcome and care for all members of our community, and through doing so we can teach others to do the same.	10/12/2023 4:47 PM
17	I feel like I would be repeating myself. I answered both questions in the previous answer without realizing this was a separate question.	10/12/2023 4:25 PM
18	Focus on providing the teachers for public schools what they need to make a successful environment for the kids. The value of making Kyle known for stellar schools with be limitless. Materials , support , and funding for education should be a priority.	10/12/2023 4:07 PM

Community Needs Assessment Survey

19	Light are needed a lot.	10/12/2023 3:34 PM
20	Our taxes are extremely high. I imagine there is \$ available to budget towards a community gym?	10/12/2023 2:10 PM
21	Significantly reduce — if not eliminate — future home / neighborhood developments until the city can properly support and service what currently exists.	10/12/2023 12:22 PM
22	Proactively create/improve roads, water supply and educational services. Feels like Kyle wants to be a great “bedroom city” for families but lacking the support for families with few parks, limited child care options, and strained public services.	10/12/2023 12:03 PM
23	Fix the roads!	10/12/2023 11:03 AM
24	Recognize that a Senior Community Center isn't just about games and dances but about taking care of the community on age related topics.	10/12/2023 10:11 AM
25	Not sure	10/12/2023 9:42 AM
26	Affordable housing	10/12/2023 9:33 AM
27	They can stop developing commercial businesses and focus on infrastructure that the community has been BEGGING for. They can stop bringing big box restaurants and killing local businesses. They can build in Kyle proper and not just on the I-35 corridor. They can stop treating east Kyle like a red headed step child. Go anywhere east of Dacy Lane and it is obvious there is a lack of care. Focus on residents and not on revenue. The city does good community events, I will give credit for that. We need more of that. But we also need infrastructure to support it. We need leadership that's not defensive but proactive.	10/12/2023 9:32 AM
28	Having a community center and more parks will get more people out, for free, to meet their neighbors	10/12/2023 9:16 AM
29	Fix the roads east of 35	10/12/2023 8:53 AM
30	Revitalize Center Street by providing incentives to small businesses, and try to attract businesses that are relevant to today's society. Look at nearby cities who have thriving downtowns for examples. Wimberley and Buda are great examples. Host community events in the area of Center Street, other than Market Days and Tree Lighting. Encourage small live music venues in order to capitalize on the proximity to Austin.	10/12/2023 8:43 AM
31	Reach out to other cities and find out how they do it. Help make Kyle affordable again.	10/12/2023 8:41 AM
32	Build better roads and identify areas where traffic patterns aren't working to meet traffic needs. Build another HEB	10/12/2023 8:26 AM
33	Bring back nature and stop building.	10/12/2023 8:14 AM
34	Direct funds to use for repaving our streets	10/12/2023 6:30 AM
35	Same as above	10/11/2023 8:30 PM
36	More access to fresh food	10/11/2023 7:48 PM
37	Widen all 2 lane roads.	10/11/2023 12:43 PM
38	Politicians who support non-hoa housing and mom & pop businesses.	10/11/2023 12:18 PM
39	We need to stop building apartments and neighborhoods until utilities stabilize. The more Kyle develops, the less vegetation and parks there are, which leads to increased urban heat and less rain in the area. Kyle also needs more family friendly parks and restaurants with access to covered playscapes.	10/11/2023 11:22 AM
40	Expansion of roads, more arteries and connections, and more walkable shopping centers near neighborhoods.	10/11/2023 10:00 AM
41	Build a new road going from Lehman HS to Bunton Creek Lay down. Double wide sidewalk from Lehman HS to Bunton Creek Thank you	10/10/2023 7:59 PM
42	Provide senior services for activities related to senior community. Our community has a lot of seniors but little to offer.	10/10/2023 4:07 PM

Community Needs Assessment Survey

43	builders sponsor housing with the employer or with Medicare recipients or military veterans as beenfit	10/10/2023 2:48 PM
44	Focus on how to better direct traffic around areas where new neighborhoods have been built or are under construction. Tye congestion on the roads is insane and shows how poorly planned it all was. Before approving a new construction of a subdivision or big business, roads and water use must be addressed. Otherwise, no more new construction in Kyle. We are growing too fast and not keeping up. We need to slow down and fix these issues or we will fail as a town/city.	10/10/2023 11:10 AM
45	Build more roads and add lanes to existing ones to help with traffic. Get more places that can treat, store and distribute water and stop allowing subdivisions to be built until this is updated.	10/10/2023 10:45 AM
46	Obviously rebuild collapsing roads. And add a sidewalk from Lehman going east. Plum Creek wined enough to have a sidewalk built after bus serves we cut and it was built asap. Double standards much.	10/10/2023 10:44 AM
47	Infrastructure investment, focusing on civil needs before social	10/10/2023 10:34 AM
48	Stop approving applications to mass subdivide ranch lands - push for land trusts and significantly more parks.	10/10/2023 9:12 AM
49	New businesses downtown and finding a solution to the train issue	10/9/2023 8:13 AM
50	Priority planning for zoning so that not just homes and businesses are built, but also green spaces are left, parks are created, playgrounds build, trails blazed, nature and wildlife protected.	10/8/2023 6:53 PM
51	Perhaps partner with ACC to have a diverse range of job trainings. Students should have the option to begin the trainings while they are still in high school.	10/8/2023 12:35 PM
52	Stop building apartments and subdivisions. Our mayor	10/8/2023 7:32 AM
53	Better roads to handle the traffic	10/7/2023 9:11 AM
54	Improve the roads, make that top priority	10/7/2023 6:09 AM
55	Mental health occurs no matter where you live. Those issues should be prioritized.	10/6/2023 8:03 PM
56	Let's take care of the residents here already and not sacrifice our utility use because the city can't provide enough water.	10/6/2023 7:43 PM
57	Get out of the office and onto the street and actually meet the people face-to-face who you will be serving with CDBG funds. The people with the greatest needs have no internet.	10/6/2023 5:52 PM
58	Encouraging affordable developments and community development programs that provide diverse programs and services to meet the needs of the growing population.	10/6/2023 5:39 PM
59	Put a moratorium on growth. If you can't legally do that, then promote larger lots and enforce keeping older trees intact, instead of promoting packing as many houses as can possibly be fitted into the all the subdivisions being approved. Lennar and KB homes ALWAYS make sure they destroy all the trees and vegetation before they start packing in their houses for sale. This is NOT sustainable in the long run. More houses = more cars = more congestion. The solution is NOT to raise taxes to build more roads! STOP building more apartment complexes - the people that can't afford them end up packing themselves into the units (which ends up bringing in anti-social people sooner or later).	10/2/2023 10:30 AM
60	More and more affordable grocery stores (Aldis, please), better resources for utilizing water responsibly and to the greatest degree possible.	10/2/2023 10:28 AM
61	The east side has no grocery store. All of the folks that live there are forced to funnel across I35 to the one grocery store in town. There need to be more amenities on the east side.	10/1/2023 6:12 PM
62	Our roads need improvement, and road infrastructure needs to be improved for the increasing population and cars. We need to make sure that with all the housing being built, and other new construction, there is an equal push to have parks built or improved.	10/1/2023 4:58 PM
63	Get more grocery stores, here. Need more choices, Trader Joe's, Central Market, Sprouts. Also roads here are bad	10/1/2023 12:14 AM
64	Infrastructure needs to meet the demands of increased housing developments. Better road developments can give alternatives to IH 35	9/30/2023 3:01 PM

Community Needs Assessment Survey

65	There needs to be more support of nonprofits who provide services in Kyle, like the Human Services Advisory Board in San Marcos. We are not reaching Kyle residents in need	9/30/2023 9:13 AM
66	Increase housing supports and availability of low income apartments	9/29/2023 10:38 PM
67	Stop approving housing structures until the infrastructure elements can catch up and be in place to support all of the additional persons.	9/29/2023 10:09 PM
68	Give upmost attention to roadway improvement.	9/29/2023 6:42 PM
69	I already explained. Loowww income housing for the elderly and disable population who rely on SSI, SSDI, or social Security. You know this is a service that has fallen to a crack.	9/29/2023 5:34 PM
70	Quit subdividing utility resources by approving new subdivisions until the city can actually support existing residents. I am being fined for using water available 3-5 years ago because City Management finds it profitable to keep expanding needs without expanding resources [water, electricity, sewer, trash services]	9/29/2023 4:18 PM
71	Fix the roads and offer financial classes for new Kyle homebuyers	9/29/2023 8:42 AM
72	A business like the "Thinkery" in Austin with a decent size all abilities playground. A way to stimulate the minds at an early age as well as physically getting involved. This is what our community needs for our growing city. It will attract many families, but also a way for the childrens to have a place they can go.	9/29/2023 6:36 AM
73	Have new developers cover the cost of road improvements & repair to existing roads, especially on Bunton Creek & Goforth	9/28/2023 7:59 PM
74	stop investing in HOA homes and chain businesses. Plant more trees, create bike paths.	9/28/2023 5:36 PM
75	Offer incentives for new small businesses to move into downtown Kyle, invest the city budget into updating the infrastructure especially water, and, create rebate programs for homeowners for rainwater harvesting and native landscapes, and hire someone with a vision to source the right businesses to come to Kyle.	9/28/2023 5:03 PM
76	Widen narrow one lane per side roads that have become through ways. Add more stoplights or traffic circles to actually keep traffic moving. Add more sidewalks around subdivisions near schools so students can walk to school instead of drive. Look at ways to develop directional thoroughfares through the city. Repave old roads like Bebe. Work with schools to figure out staggered start times or better drop off solutions so that traffic at every school doesn't come to a standstill for 30 minutes every morning.	9/28/2023 9:18 AM
77	Work with local hospitals and universities to bring more mental health services to Kyle.	9/28/2023 7:18 AM
78	Continue to being events and new businesses downtown while keeping the small town charm. It has a beautiful park and a few businesses! Advertise for the businesses let the community know what is down there and continue to bring in new business. My kids love the way downtown looks and I do too. It's what makes Kyle special. We don't want a big city downtown if we did we would have stayed in Austin. Add some family restaurants.	9/28/2023 6:17 AM
79	We need more resources for the elderly the ppl who started this community. The hospital social workers all say it's all Austin, and throw up their hands for Kyle residents .	9/28/2023 6:15 AM
80	Use funds appropriately and elect a new Mayor.	9/27/2023 9:24 PM
81	By putting another grocery store like central market or Trader Joe's!	9/27/2023 9:22 PM
82	Parks and rec dept can do a study of the areas.	9/27/2023 9:15 PM
83	Please see previous answer	9/27/2023 8:47 PM
84	Stop building so much. New parks. More water. Places for people to enjoy	9/27/2023 7:42 PM
85	Build another plant. Lower prices of water. Teach the public about water conservation.	9/27/2023 5:10 PM
86	Focus on improving what is already here more than building new.	9/27/2023 3:35 PM
87	You will need to budget well. All parts of Kyle should be included, not just the west side.	9/27/2023 12:44 PM
88	Create roads before businesses are built. Slow down the business growth until there are roads that allow better access.	9/27/2023 11:03 AM

Community Needs Assessment Survey

89	Literally just need to finish cementing the sidewalks, there's multiple sidewalks that abruptly end and then re start in another place leaving gaps everywhere.	9/27/2023 10:45 AM
90	Greater infrastructure investment. Less social programs	9/27/2023 8:58 AM
91	Open another store farther west towards stagecoach road	9/27/2023 8:44 AM
92	Downtown looks very disheveled. As a gateway to the Hill Country, downtown Kyle has a significant branding opportunity. The water crisis is real. Our city should develop a real water conservation board that can implement best strategies for water conservation, and recycling.	9/27/2023 8:25 AM
93	I think I've said everything I need to say above. We need a grocery store...and not another poco loco for heaven's sake. I like poco loco, don't get me wrong, I even shop there sometimes, but we need a true grocery store like H-E-B that truly meets our weekly grocery needs. The one we have now is insanely busy and as this area grows that store is just going to get worse. Costco is great and all but please give us an H-E-B on the east side. We need some shops for better restaurants. I know you all just did the dry river district restaurants which is cool but it's just chains. Unhealthy chains too. The east side has land for shops where restaurants can come in, grocery stores can come in. Also, why not try and get a Whole Foods out here? You'd be providing healthier food options to citizens of Kyle and attracting more people here who care about eating healthy. I know this isn't supposed to go here either but please stop turning the east side into giant warehouses. It looks hideous. I know our land on this side is spacious and flat so it makes sense, but it is such an eyesore and it doesn't add to our quality of life.	9/27/2023 8:03 AM
94	No HUD here.	9/27/2023 7:50 AM
95	The Plum Creek Hike and Bike Path should be made open to the public. At the very least it should be made open to residents of Plum Creek Phase 2.	9/27/2023 7:11 AM
96	Add a rec center	9/27/2023 6:23 AM
97	Perhaps get police officers to allow direction of that traffic during those very busy times bypassing signal lights until reconstruction of roads can be done, the roadways need to be widened to allow through traffic to continue to flow	9/27/2023 6:04 AM
98	The city seems to already be working on a plan but I haven't heard any updates in it in quite a while.	9/27/2023 5:07 AM
99	Enhance wastewater reuse capacity, dramatically improved conservation efforts, regional cooperation as we are all drawing from the same water resources.	9/26/2023 10:45 PM
100	Join the Main Street program and put effort into revitalizing the old, ugly buildings on center street. Build a regional waste water treatment plant. Hire more public works staff and start fixing streets left and right.	9/26/2023 10:13 PM
101	Build one?	9/26/2023 8:51 PM
102	Priorities "the people" not the mayor, businesses or raises. The needs of many over a few.	9/26/2023 8:35 PM
103	Quality of life in Kyle is so low that it will take decades to resolve at this point. Good luck 😊	9/26/2023 7:45 PM
104	Set up bus routes and schedules from communities to and from Austin and San Marcos.	9/26/2023 7:13 PM
105	Bring in more grocery store.	9/26/2023 6:58 PM
106	Get more access to mental health providers	9/26/2023 6:43 PM
107	The leadership needs to STOP THE GROWTH. The city council is DIRECTLY responsible for the lack of water in Kyle. Their decision to approve EVERY developer's request to build thousands of homes and apartments has been detrimental to our water supply. They should lose their jobs due to the lack of forethought and planning.	9/26/2023 6:37 PM
108	Provide funding for roads	9/26/2023 5:06 PM
109	Bigger sidewalks, bike lanes that are sheltered from the main flow of traffic, buses, a commuter station on a train that goes into the city, and incentives to use these things.	9/26/2023 4:35 PM
110	The road bond will help, however slowing down the growth would be beneficial	9/26/2023 3:31 PM
111	Bud or railway into Austin would great.	9/26/2023 2:46 PM

Community Needs Assessment Survey

112	Stop expansion until the infrastructure is updated and can meet the need of growth. Make builders pay for roads. Also the rideshare program is just plain stupid, get us on a bus line that goes into Austin and into San Antonio.	9/26/2023 2:12 PM
113	Do more to reach out to every citizen in Kyle. Plunking everything in English, Spanish and any other language the citizens need. Stop ignoring the east side and it's residents	9/26/2023 1:57 PM
114	More dog friendly place. Dog park with a section separate for small dogs. Hiking trails. The trails on the east side of Kyle have snakes when it rains.	9/26/2023 12:56 PM
115	Increase water supply and amend water billing system to incentivize conservation.	9/26/2023 12:25 PM
116	Put money into the Eastside - stop rewarding the Plum Creek Developers with our tax dollars.	9/26/2023 11:58 AM
117	Address traffic issues and road repairs.	9/26/2023 11:56 AM
118	Those of us who don't understand politics/city planning, etc., but are being asked to reduce water usage because of extreme drought need to have a clear and simple explanation of why we are continuing to build and expand. Where will this water come from? No political debate, just a simple explanation of how there will be enough when we don't have enough as it is. The same concerns apply to the power grid. I sit in a hot house watching my new landscaping wither from lack of water watching new construction all around. I would love a simple explanation of how the city of Kyle is planning for this.	9/26/2023 11:43 AM
119	Focus on improving what is already here instead of bringing in more and overwhelming our already crumbling infrastructure.	9/26/2023 11:40 AM
120	Build them on repurpose old spaces to make it happen	9/26/2023 11:36 AM
121	Plan out and build bicycle lanes. If they can lead into Vybe, that'll be great.	9/26/2023 11:30 AM
122	Stop building more housing complexes. You're bringing down our home values by doing this predatory behavior. It would be great if you brought in a housing development authority to mend the gap and allow for low income housing to be built all while preserving our home values.	9/26/2023 11:10 AM
123	Build a community rec center for the City residents.	9/26/2023 11:06 AM
124	Shift their focus to the east side. This also means getting proper representation from someone who actually lives on the east side.	9/26/2023 11:05 AM
125	Stricter development standards for residential developments that require a diversity of housing types and mixed income housing.	9/26/2023 10:47 AM
126	More opportunities in our area as listed above. Access to parks, libraries, swimming lessons, toddler gym, etc	9/26/2023 10:45 AM
127	Lower tax rate for elderly	9/26/2023 10:34 AM
128	Cell phone towers. Specifically along Kohlers Crossing and 2770 and by Hays High School.	9/26/2023 10:24 AM
129	Instead of bringing in large chains bring in some local sit down restaurants to downtown. Look at what buda did and do the same.	9/26/2023 10:20 AM
130	We need some nice fine dining and no more chain or fast food restaurants.	9/26/2023 10:20 AM
131	Public transportation	9/26/2023 10:18 AM
132	By driving to east Kyle go see it for yourself	9/26/2023 10:17 AM
133	Focus on improving infrastructure before increasing our impervious cover and letting businesses use enormous resources while getting tax breaks. Center the citizens experience rather than businesses.	9/25/2023 9:33 AM
134	Basketball, volleyball and cornhole tournaments more often. Pickleball courts, fitness and obstacle course equipment added to Gregg-Clarke park. More classes/events at the library like: clothing swaps, crafts, lectures from Authors, on finance, college admissions, organizing tips, home improvement and cooking classes. Games like large checkers, large connect four and domino tournaments at Mary Hartson park. Have shuttle buses from Kyle to events in Austin and San Marcos like trail of lights and football games.	9/22/2023 11:29 PM
135	Require businesses to provide bike parking, build pedestrian and bike bridge over 1626 asap, keep natural areas and make more trail only parks, there's plenty of playgrounds, i want REAL	9/22/2023 12:17 PM

Community Needs Assessment Survey

parks. Also require housing developments to repair their access roads when development is finished, since they're they ones messing up the roads

136	have a viable in city transportation	9/15/2023 9:54 AM
137	A homeless shelter needs to be constructed without families having to go to Austin or San Marcos which disrupts their children's education. Low income housing has to happen. With the inflation rate more and more families are being pushed below the poverty line.	9/14/2023 12:17 PM
138	Bring in more mental health resources	9/14/2023 12:08 PM
139	The City can 1) increase the number of low income housing units, 2) build a homeless shelter or contract with a budget motel to provide temporary housing, 3) dedicate funds to support rental assistance or deposits, 4) require multi-housing units to set aside a number of units as low-income housing.	9/14/2023 12:03 PM
140	In addition to supporting the local family/dating violence agency (Hays-Caldwell Women's Center) and their emergency shelter and transitional housing program, it is important to incentivize (or require) all new apartment complexes to set aside a certain number of units for survivors of abuse who are working with the local family violence agency. It is helpful for victims of abuse (and their children) to be able to stay in their own community when leaving an abusive situation.	9/13/2023 12:35 PM
141	Plan ahead before adding new neighborhoods. Infrastructure then add them.	9/12/2023 1:42 PM

Q31 What obstacles do you see in getting your chosen greatest community need met? How can the obstacle(s) be overcome?

Answered: 143 Skipped: 211

#	RESPONSES	DATE
1	Water restrictions will only have a limited effect without effective yet reasonable enforcement in the future. This is a thorny issue, while better infrastructure should be less controversial.	10/15/2023 7:44 PM
2	We need better roads fast!	10/14/2023 9:32 PM
3	The city doesn't seem to care about improving traffic.	10/14/2023 9:21 AM
4	Community support events	10/13/2023 10:38 AM
5	Lack of political interest	10/13/2023 10:05 AM
6	Policy and Cost	10/13/2023 9:29 AM
7	I can't see any obstacles. Lyle's growth over even the past 5 years has been beyond ridiculous and we need to severely limit future new build homes	10/13/2023 12:49 AM
8	Cost	10/12/2023 11:55 PM
9	Willingness to sacrifice time to get it done to growth.	10/12/2023 10:54 PM
10	There is a lot of people/new construction and not enough water.	10/12/2023 10:49 PM
11	Amend the rules for 55+ complexes to allow a portion of the units for Disabled Adults under 55.	10/12/2023 10:36 PM
12	Government mismanagement	10/12/2023 7:45 PM
13	Stop the urban sprawl. Stop letting every business interest and home developer corporation run over our City.	10/12/2023 7:31 PM
14	Certain councilmembers don't want this so it won't happen. They blame citizens in town for downtown being the way it is despite us supporting local businesses coming in.	10/12/2023 7:26 PM
15	No suport or breaks for local companies	10/12/2023 7:22 PM
16	Funding	10/12/2023 4:49 PM
17	The cost of living is a national crisis. Kyle is only one city. All we can do is what we feel is right and hope to lead by example. Also, what the heck is going on with the water? Dang. I'm very glad there's a plan in place. Maybe we can restrict HOA and public watering a little more. We're going a little hard on planting and replanting unnecessary stuff here in 6 Creeks, anyway. Seems like a waste of water when we're in such a serious drought.	10/12/2023 4:47 PM
18	The economy is tough right now. Bringing in new places that don't see increased traffic due to lack of other stores.	10/12/2023 4:25 PM
19	This state voucher program seems it could possibly an obstacle by removing funding from public schools to give to charter schools . Possible more information for the public on how much would be taken away for public school by using the voucher program , so possible grants could possibly supplement that loss to the public schools .	10/12/2023 4:07 PM
20	The obstacle is that leaders have plenty of money and likely have a gym within their house so they don't see the need for building one for the town. In order to appreciate how bad one is needed, they should look at how unhealthy a lot of us are and how poor most of us are and would love to get a place to exercise.	10/12/2023 2:10 PM
21	City leaders' personal need/want for further development.	10/12/2023 12:22 PM
22	The time it takes to get things approved and done in government take 3x longer than the private sector. These private companies are building like crazy but the city cannot keep up	10/12/2023 12:03 PM

Community Needs Assessment Survey

with the support and improvements for those.

23	People don't understand what a Senior Community Center is. Educate the difference between a Senior center and a Senior community center	10/12/2023 10:11 AM
24	Not sure	10/12/2023 9:42 AM
25	Inflation, high interest rates, Biden	10/12/2023 9:33 AM
26	Our leadership is the biggest obstacle in my opinion. There's a lot of self-aggrandizing by certain individuals. Voters can fix this problem, hopefully enough of us vote to do so.	10/12/2023 9:32 AM
27	Land for public use that's free	10/12/2023 9:16 AM
28	Traffic congestion on Bunton at Lehman, figure out a reasonable detour.	10/12/2023 8:53 AM
29	I honestly don't know what obstacles there are, but there shouldn't be any. Maybe more community involvement would help.	10/12/2023 8:43 AM
30	I see the city of Kyle being its own biggest obstacle. Kyle seems to be bee persistent in large, fast growth before providing the level and affordability of services that the residence need and deserve.	10/12/2023 8:41 AM
31	Money. Kyle can use their funds wisely	10/12/2023 8:26 AM
32	See above.	10/12/2023 8:14 AM
33	Can't let what ever obstacles have stood in the way of making our roads what they need to be	10/12/2023 6:30 AM
34	Kyle keeps going after large chains, we want warm and friendly like Buda is attracting.	10/11/2023 11:42 PM
35	More local grocers and restaurants, farmers market in down town kyle	10/11/2023 7:48 PM
36	Money	10/11/2023 12:43 PM
37	Current mayor and city council bringing in corporate business and housing developers. These large companies do not pay living wages creating the need for social programs and low income housing. Its a lose lose situation.	10/11/2023 12:18 PM
38	Kyle seems to focus only on growth and not enough on the resident's experience. Any new shopping center needs to come with vegetation and park areas to make sure we are not just adding more concrete and pavement which increases urban heat. Kyle should be looking into how to make more sustainable development choices such as underground parking with a park or courtyard on top, sustainable rooftops or solar, covered walkways and playscape.	10/11/2023 11:22 AM
39	Our mayor is quick to say yes to big chain developments and factories, with less enthusiasm for small businesses. We also keep encouraging residential growth without turn lanes or safe signal lights and roundabouts for that influx of new residents. We're building a new elementary school off of 150, which has cars speeding at 50mph and no signal light at that neighborhood's intersection.	10/11/2023 10:00 AM
40	City council Needs to DEMAND more on developers, if they don't want to comply...the next developer will.	10/10/2023 10:33 PM
41	There should be money already allotted to our area	10/10/2023 7:59 PM
42	Financial obstacles or if it's put to vote maybe the community feels like there's a greatest need.	10/10/2023 7:06 PM
43	Real estate and building to house the activity	10/10/2023 4:07 PM
44	economy and international investemnts in Texas	10/10/2023 2:48 PM
45	The obstacles are greed and not caring about the community. It looks like all that is cared about is making more money but no care in how it will negatively impact Kyle. We have great potential but I can already see we are off to a bad start.	10/10/2023 11:10 AM

48	Inflationary costs making these projects extremely expensive	10/10/2023 10:34 AM

Community Needs Assessment Survey

49	Greed and excessive tax breaks that have already moved the tax burden to the existing property owner residence of the City, despite the newly implemented tax exemption 'increase.	10/10/2023 9:12 AM
50	High rents or lack of available space for businesses	10/9/2023 8:13 AM
51	Funding is generally an obstacle to job training programs. I don't know exactly how to overcome that. Sometimes there are federal or state grants that are available. Also, it could be a city requirement for large companies operating here in Kyle to have job trainings at their facilities or offices.	10/8/2023 12:35 PM
52	Out current mayor	10/8/2023 7:32 AM
53	Kyle needs income. A tax increase will help	10/7/2023 9:11 AM
54	The obstacle would disruption in traffic patterns while roads are being constructed. Spreading the word to the areas that will effected and offering alternative routes while construction is being done.	10/7/2023 6:09 AM
55	The Vibe concept is great but not sure if that is still being prioritized.	10/6/2023 8:03 PM
56	Practical improvements vs Mitchell and city's greed	10/6/2023 7:43 PM
57	Real public transportation would be nice. The Uber program is a joke. Why would you limit someone to the city limits and make us feel like prisoners in our own town?	10/6/2023 5:52 PM
58	Greedy developers without an understanding of the demographic makeup of the communities they are developing in.	10/6/2023 5:39 PM
59	The greed and mindlessness exhibited by the planning & zoning commission, the mayor, and decisions made by the prior city council that promoted unrestrained growth in Kyle.	10/2/2023 10:30 AM
60	I imagine others don't see water as the urgent need that it is, and I worry about that.	10/2/2023 10:28 AM
61	Greed—the inability to say hold up, let's get our bearings and take care of the people here. It would be up to the city leaders to overcome.	10/1/2023 6:12 PM
62	Proactive solutions for buildup of traffic and maintaining parks/nature, instead of just approving new housing developments one after another.	10/1/2023 4:58 PM
63	City council needs to push harder for what citizens identify as needs.	10/1/2023 12:14 AM
64	Funding	9/30/2023 3:01 PM
65	Initial costs of investments can be justified by long term ROI.	9/29/2023 11:56 PM
66	Greed. This can be overcome by stopping all new single and multi family home structure building.	9/29/2023 10:09 PM
67	Obstacle is always cost. Apply for all grants available	9/29/2023 6:42 PM
68	Build low income apartments for the elderly or disabled. I have already explained my position above. Read it.	9/29/2023 5:34 PM
69	the idea of rushing into expanding the number of people living in Kyle without preparing for their needs in advance	9/29/2023 4:18 PM
70	Unknown	9/29/2023 8:42 AM
71	Funding would probably be the biggest issue but I know many people would pay entrance fee for their kids to be somewhere fun and involved in activities.	9/29/2023 6:36 AM
72	No slow in growth pattern for new subdivisions	9/28/2023 7:59 PM
73	Wrong people in charge, they do not seem to care about this town having any redeeming qualities other than super inexpensive housing. Lets be honest, that's the only reason why people are willing to live here.	9/28/2023 5:36 PM
74	Kind of explained this already.	9/28/2023 5:03 PM
75	Lack of government will. Government just wants more houses and commercial business in the city without wanting to solve the road and traffic problems. Make those developers and	9/28/2023 9:18 AM

Community Needs Assessment Survey

businesses be part of the solution if they want to build here. Realize nobody will live here in new subdivisions if they create a traffic problem akin to a giant metro area.

76	Lack of trained counselors and physicians in the area.	9/28/2023 7:18 AM
77	It takes time. Redevelopment and re-establishing downtown and make it thrive again will take time and consistency.	9/28/2023 6:17 AM
78	Transportation, access to food, access to healthcare.	9/28/2023 6:15 AM
79	The Mayor & getting a new Mayor who doesn't want to seek Kyle as just a part of Austin.	9/27/2023 9:24 PM
80	Doubt not many will object to more parkland than development.	9/27/2023 9:15 PM
81	People refusing proposed bills for improvements in downtown, parks, and road improvements because of increase of taxes	9/27/2023 8:47 PM
82	Money. Developers are bringing in the cash and parks don't	9/27/2023 7:42 PM
83	Funding. Hire more educated staff to run programs. Find grants.	9/27/2023 5:10 PM
84	Cost of living will continue to increase and citizens may not be able to keep up with the costs.	9/27/2023 3:35 PM
85	Mainly getting the city to recognize needs and then act upon them in a timely manner. Some improvements have taken 15 years to happen and that is not acceptable with the growth we are seeing and the improvements needed in infrastructure.	9/27/2023 12:44 PM
86	I'm not sure the city council is aware of all the congestion that we all have to deal with on a daily basis.	9/27/2023 11:03 AM
87	Requires money and time. Once it starts it will be slow. Better to start now than wait a long time	9/27/2023 8:58 AM
88	H-E-B is resistant to competition; have H-E-B open a second location	9/27/2023 8:44 AM
89	Education and creating opportunities	9/27/2023 8:25 AM
90	I see the investment in the Dry River District as the obstacle to getting an H-E-B on the east side because the logic, I fear, will be "we already spent a ton of money in that arena", and "we don't see the need with that in mind".	9/27/2023 8:03 AM
91	Say NO... Austin can keep the problems they created. Leave the suburbs alone. Stop sanctuary cities. Elect law and order leaders. Fix the damn schools.	9/27/2023 7:50 AM
92	The residents of Plum Creek might want to keep the Plum Creek Hike and Bike Path private, but in my opinion it is unreasonable for such a unique and badly needed local resource to be exclusive to such a small number of families.	9/27/2023 7:11 AM
93	Funds, caring	9/27/2023 6:23 AM
94	Funding or right of way/property lines. Not sure if it's a possibility to widen roadways indicated	9/27/2023 6:04 AM
95	Not sure	9/27/2023 5:07 AM
96	Developers and businesses that are offering cookie cutter plans with little consideration of community sustainability. City ordinances need revisions to support conservation needs.	9/26/2023 10:45 PM
97	Money. Focus on the water first! We are running out and we need solutions there first. And stop giving these new businesses and builders such hefty tax breaks. We need that money to build a better community.	9/26/2023 10:13 PM
98	Really community buy in, permits, money, everything	9/26/2023 8:51 PM
99	Lack of care by the mayor or city council.	9/26/2023 8:35 PM
100	The city council. Build a place where intelligent people want to live and will vote accordingly. Hint: it will take more than a second chic-fil-a. How embarrassing.	9/26/2023 7:45 PM
101	Work involved to set it all up.	9/26/2023 7:13 PM
102	There shouldn't be a problem. We can bring in all of these restaurants and other storeS, why not another H-E-B or any other grocery store.	9/26/2023 6:58 PM

Community Needs Assessment Survey

103	Not enough providers	9/26/2023 6:43 PM
104	Unfortunately I see the same people making the same mistakes in the future. Building the pond at Heroe's Park (DURING A DROUGHT) which needs to be refilled with drinking water was a terrible mistake. Building the Public Safety Center without a rain collection system in place was a terrible mistake. The answer to our water problems is NOT to keep borrowing from our neighbors or waiting for a project that's been promised 2-3 years down the road. The current residents can't possibly solve the problem created by the council and city manager through water restrictions alone especially with the population growth we're experiencing.	9/26/2023 6:37 PM
105	Room to expand rd	9/26/2023 5:06 PM
106	Probably that I'm one of the only people here who wants this, and also it likely wouldn't make as much money for the city as unimpeded car-centric growth.	9/26/2023 4:35 PM
107	Money	9/26/2023 3:31 PM
108	By finding another water source to provide a constant volume of water to our residents.	9/26/2023 2:46 PM
109	Those in charge would need to understand that the infrastructure should be considered before allowing new construction of any kind.	9/26/2023 2:12 PM
110	Funding and time. Everything takes both and people want it now. We need the city of provide workshops in English and Spanish on what they are doing to meet the needs of its Citizens	9/26/2023 1:57 PM
111	Money and people resistance to change.	9/26/2023 1:19 PM
112	More dog friendly place. Dog park with a section separate for small dogs. Hiking trails. The trails on the east side of Kyle have snakes when it rains.	9/26/2023 12:56 PM
113	Leadership is so focused on development without thoughtful forecasting of infrastructure capacity. Leadership needs to look at neighboring cities (e.g. Buda) and halt new development / refining so infrastructure can catch up with demand.	9/26/2023 12:25 PM
114	City Council is split. East versus West. Shame on them. They need to come together and put infrastructure on the Eastside. IF they don't- a whole other problem is created.	9/26/2023 11:58 AM
115	Funding is always an obstacle. Redistribute funds from lower priority projects.	9/26/2023 11:56 AM
116	Sadly, I believe miscommunication is the greatest obstacle. People without all the necessary information regarding our city's struggles with water may vote against wonderful, qualified candidates because they don't see the big picture. (I certainly don't see the big picture myself.)	9/26/2023 11:43 AM
117	A city council who doesn't care about the existing residents. They are only on the council for their own needs and selfish reasons.	9/26/2023 11:40 AM
118	?	9/26/2023 11:36 AM
119	Existing roads which do not have enough space for a bicycle lane and expanding road would cause interference with the easement.	9/26/2023 11:30 AM
120	Mayor Travis Mitchell. Elect a different mayor.	9/26/2023 11:10 AM
121	Funds	9/26/2023 11:08 AM
122	The cost for building. We could dedicate a portion of the budget for this service. Encourage fund raising drive. Utilize existing building in community...	9/26/2023 11:06 AM
123	The current mayor and council don't seem to care much about actual community needs. The focus appears to be on making Kyle as unwelcoming as possible to anyone making less than 100k a year.	9/26/2023 11:05 AM
124	Too much building going on without enough infrastructure	9/26/2023 11:01 AM
125	Greed.	9/26/2023 10:55 AM
126	The public	9/26/2023 10:47 AM
127	Greatest challenge, it is not a primary focus because it may not bring in revenue. Not sure how it can be overcome	9/26/2023 10:45 AM

Community Needs Assessment Survey

128	Improve Uber service and/or other transportation options.	9/26/2023 10:34 AM
129	Fiscal responsibility. Not wasting bond money on overpriced projects and not finishing what was promised. Specifically for roads. We don't need fancy street signs. We need basic infrastructure and resources.	9/26/2023 10:24 AM
130	Roads need to be wider to account for the population growth in the city.	9/26/2023 10:24 AM
131	I don't think the city wants an active downtown area. They are content to bringing in large chains. We are th3 fast food capital.	9/26/2023 10:20 AM
132	\$\$\$\$ and bringing in businesses	9/26/2023 10:20 AM
133	Council	9/26/2023 10:18 AM
134	Hold all the new house builders accountable to help with the sidewalks	9/26/2023 10:17 AM
135	Water shortages are everywhere. I'm not paid to define how it can be overcome. But I can assure that if it continues to be an issue then people will leave. There are climate exodus in many states right now.	9/25/2023 9:33 AM
136	Funding. Fundraising and donations.	9/22/2023 11:29 PM
137	Lack of prioritizing, which if people would see how important it is maybe we won't need 10 years to make it happen	9/22/2023 12:17 PM
138	cost	9/15/2023 9:54 AM
139	I do not really see any obstacles beyond financing. The space is there, it just needs to be made a priority.	9/14/2023 12:17 PM
140	Influx of people coming in to the area who need assistance and are taking a lot of the assistance away from residents.	9/14/2023 12:08 PM
141	1) limited social service agencies in Kyle to support this goal. 2) city of kyle can funnel funds through current agencies or create their own social service agency to support kyle families in need. All of this work should be done in coordination with the city of Buda and other surrounding cities/villages to avoid duplication of services and to maximize the use of the limited funds available.	9/14/2023 12:03 PM
142	Available / earmarked funding to support survivors of abuse is always an obstacle. As far as having a certain number of apartment units set aside for victims of abuse, garnering participation from apartment management is always an obstacle.	9/13/2023 12:35 PM
143	Planning.	9/12/2023 1:42 PM

Q32 Name any activities and/or programs that a local organization may already be carrying out that would support any of the Community Needs in the Needs Assessment Survey. Please include the organization name and contact information.

#	RESPONSES	DATE
1	Na	10/13/2023 10:05 AM
2	Parks and recreation department needs to be funded to the top of their budgets. We need to save as much green space as possible.	10/12/2023 7:31 PM
3	None	10/12/2023 4:49 PM
4	All those involved in Kyle's festivals, events, and social media marketing are doing an unbelievable job. I'm constantly reminded of why I'm proud to live here. Kyle certainly knows how to prioritize community celebrations in a world where many have forgotten what it feels like to truly belong somewhere. Kyle has welcomed me with open arms and I will be forever grateful. I hope I can someday repay the favor.	10/12/2023 4:47 PM
5	Unknown	10/12/2023 4:25 PM
6	We need more recreational places, trails, parks...	10/12/2023 3:34 PM
7	In terms of senior center, you could contact Area Agency on Aging for tips etc. For a gym, could contact leaders in Cedar Park and San Marcos to see how they went about building a gym.	10/12/2023 2:10 PM
8	Would love to see more parks recreation leagues,	10/12/2023 12:03 PM
9	Kyle Area Senior Zone Age of Central Texas Onion Creek Senior Center	10/12/2023 10:11 AM
10	Not sure	10/12/2023 9:42 AM
11	There is a group that is helping to create and promote a trail system. I don't remember the name and would have to leave the survey to look it up.	10/12/2023 8:43 AM
12	Market days	10/11/2023 7:48 PM
13	N/A	10/11/2023 12:43 PM
14	Buda senior center	10/10/2023 4:07 PM
15	n/a	10/10/2023 2:48 PM
16	AGE of Central Texas - https://ageofcentraltx.org/ Land conservation - https://tpwd.texas.gov/landwater/land/private/ https://landtrustalliance.org/land-trusts/gaining-ground? gclid=Cj0KCQjw7JOpBhCfARIsAL3bobfwnMbyR4xLcnuVodp7n3r6E1S_VoCAf4ocTDQfXomjYIL8r_mnwQ4aAmqAEALw_wcB	10/10/2023 9:12 AM
17	I am not aware of any organization that is carrying out job trainings for Kyle citizens. I imagine the Texas Workforce, Hays CISD, Goodwill, ACC, and maybe others are involved in job training in some way.	10/8/2023 12:35 PM
18	No idea	10/7/2023 6:09 AM
19	I love the Kyle Uber program. That was brilliant. Would be nice to see that include Buda as well.	10/6/2023 8:03 PM
20	Hays Co Food Bank (look it up yourself)	10/6/2023 5:52 PM
21	As far as I understand, we already have a senior center, the library is funded, and there are	10/2/2023 10:28 AM

Community Needs Assessment Survey

many charitable programs supporting those in our community. Water is essential, access to affordable, healthy food is essential.

22	We need a strong healthcare home like CommunityCare that partners with Central Health in Austin to give our community healthy living support and opportunities.	9/30/2023 3:01 PM
23	There is none. That is the problem	9/29/2023 5:34 PM
24	Don't know	9/29/2023 8:42 AM
25	?	9/28/2023 7:59 PM
26	City of Austin has water conservation programs.	9/28/2023 5:03 PM
27	Another area of need is a community sports/ rec center. The Y should look at building a facility here as they have in Buda.	9/28/2023 9:18 AM
28	Community events downtown!	9/28/2023 6:17 AM
29	I don't know any organizations personally but we also need more commercial gyms like a golds gym	9/27/2023 8:47 PM
30	I am not sure.	9/27/2023 8:03 AM
31	Big government needs to end	9/27/2023 7:50 AM
32	The Kyle Trail Coalition should be involved in planning future trails: https://www.facebook.com/groups/415322824124106	9/27/2023 7:11 AM
33	I'm not aware of any programs providing support in these areas	9/27/2023 6:04 AM
34	I don't know	9/27/2023 5:07 AM
35	Meadows Center for Water and the Environment, San Marcos Wimberley Valley Watershed Association, and numerous other entities have expertise to offer.	9/26/2023 10:45 PM
36	There is an organization in San Marcos, southside center? That's the only organization I know of that does that work nearby	9/26/2023 8:51 PM
37	The historical commission, the lady who is suppose to being heading up a culture/museums but gets absolutely no support or assistance.	9/26/2023 8:35 PM
38	How about any of the registered non-profits that are constantly cleaning up the mess and filling the gaps of the local incompetence running this place?	9/26/2023 7:45 PM
39	None that I know of	9/26/2023 7:13 PM
40	I don't have a name or number but the city needs someone to advise them on how to make radical changes in the way they view water usage.	9/26/2023 6:37 PM
41	Not sure	9/26/2023 5:06 PM
42	Road Bonds	9/26/2023 3:31 PM
43	Hays Latinos United	9/26/2023 1:57 PM
44	Community garden. Dance classes hosted by bars.	9/26/2023 12:56 PM
45	HOA's, KASZ, Veterans,	9/26/2023 11:58 AM
46	Nothing	9/26/2023 11:30 AM
47	The library could have extended hours. No one is getting to the library before 6 pm unless you don't have a job! Make the library cohesive for all demographics... 10 am to 10 pm.	9/26/2023 11:10 AM
48	Rec activities at downtown center could be part of this. Encourage art community build.	9/26/2023 11:06 AM
49	Most of the programs that help give assistance to elderly, unhoused, low income, are through churches or private groups. The city has made it clear they don't care to assist.	9/26/2023 11:05 AM
50	KASZ Kyle Area Senior Zone	9/26/2023 10:34 AM
51	A community recreation center would be amazing.	9/26/2023 10:24 AM

Community Needs Assessment Survey

52	Just look at downtown buda.	9/26/2023 10:20 AM
53	Kyle Hockey	9/26/2023 10:15 AM
54	Lcra	9/25/2023 9:33 AM
55	I am not aware of any	9/22/2023 11:29 PM
56	Great springs project for trials and land preservation, info@greatspringsproject.org 2102609839	9/22/2023 12:17 PM
57	clothing and food help by Hays cisd	9/15/2023 9:54 AM
58	Southside Community Center and HOME Center in San Marcos are doing amazing things for the low income and homeless population of our area, but they're overtaxed and have limited resources which other counties are siphoning from because Buda and Kyle does not have any resources for these families at all.	9/14/2023 12:17 PM
59	Parent groups, teen support groups	9/14/2023 12:08 PM
60	Hays CISD offers referral support through a MKV Liaison and Family support specialist. HCISD also works with the Clothes Closet and Hays Hope to go. The only other agencies are church related - ST. Vincent de Paul. Kyle has minimal social service supports for such a large city.	9/14/2023 12:03 PM
61	Hays-Caldwell Women's Center provides free, confidential, life-saving services to victims of family violence, dating violence, sexual assault, and child abuse.	9/13/2023 12:35 PM

Q33 Do you have any other information to share or a community need that should be added to the survey?

Answered: 71 Skipped: 283

#	RESPONSES	DATE
1	Programs to help small business owners start up and help out communities thrive	10/13/2023 12:00 PM
2	It's of utmost importance to also address the rising crime rate. 3 Neighbors cars have already been broken into. Kyle is supposed to be safe, not some New York ghetto.	10/13/2023 10:05 AM
3	We need more daycares, places for kids to play (not just parks). We don't need anymore hotels, high cost apartments, or gas stations. We need to protect the environment better	10/12/2023 11:55 PM
4	The one decent grocery store is packed. Nothing for our seniors and no senior transportation	10/12/2023 10:54 PM
5	Public Transportation for Special Needs. Most parents/caretakers will not allow their lives one to use Uber. Too much liability in trusting the drivers.	10/12/2023 10:36 PM
6	Recreational leagues would also be great for the city. Coed sports. Pickleball courts.	10/12/2023 7:22 PM
7	Let's be leaders not just in our county but in the state and country. Let's build up public transit like nobody's business and change the landscape of Texas. Let's build our own comprehensive train system and connect the city with sidewalks absolutely everywhere. We can do it!! Downtown and the Vybe are a great start!	10/12/2023 4:47 PM
8	There is a ton of potential here, just need to prioritize the ways to capitalize on that potential.	10/12/2023 4:25 PM
9	Any programs that support helping the Kyle community with spaying/ neutering, and chipping their pets . We have a major dumping animals issue here , and the community has had to step up ! This issue needs to be addressed .	10/12/2023 4:07 PM
10	Just would love a gym and hope that a new high school is built here because another one is definitely needed.	10/12/2023 2:10 PM
11	schools should be accounted for	10/12/2023 12:03 PM
12	This survey only focused on the privilege. Where was this survey advertised outside the internet? Our community who does not have internet would never see this survey. This survey should be thrown out because it is not representing the entire community.	10/12/2023 10:11 AM
13	No	10/12/2023 9:42 AM
14	Ease of traffic	10/12/2023 9:33 AM
15	No more roundabouts!	10/12/2023 8:53 AM
16	There is a need for more healthy/whole and vegetarian food options, both in the form of restaurants and specialty grocery stores.	10/12/2023 8:43 AM
17	The lack of forethought of the road system and lack of navigable sidewalks as this cities continues to grow is a huge problem. Kyle is more focussed on what big box store they cram in the city than it is the well being of its residents.	10/12/2023 8:41 AM
18	Proper light on road ways for pedestrian traffic	10/12/2023 8:26 AM
19	Need for more social services in kyle	10/11/2023 7:48 PM
20	N/A	10/11/2023 12:43 PM
21	Kyle is "Anytown USA". How about some character?	10/11/2023 12:18 PM
22	n/a	10/10/2023 2:48 PM
23	We need healthy restaurant options in Kyle. Soup Peddler, Dimassi Mediterranean Restaurant, Mad Greens, First Watch. Restaurants like these. Maybe even a Thunder Cloud Subs. These	10/10/2023 11:10 AM

Community Needs Assessment Survey

places and infrastructure improvement would make me stay in Kyle rather than leave town to find a place to enjoy the day/evening. Thank you.

24	Figuring out the water issues. High bills and not enough water to supply Kyle. Residents are literally paying for it.	10/10/2023 10:44 AM
25	We have to start concentrating on the needs of the people who currently live here, and stop the development of more housing/apts. Our infrastructure is in desperate need of attention.	10/10/2023 10:15 AM
26	Balance budgets and reallocate funds before raising taxes and proposing new bond projects.	10/10/2023 9:12 AM
27	As new homes are built, the above ground, overhead electric lines are an eyesore. The older side of Kohler's Crossing has below ground line, the newer build side has above, unsightly lines. Aesthetic should be considered in addition to practicality, as overhead lines make an area look poorer. Underground lines are also less affected by weather conditions (and we have had many winter storms and freezes) and are more reliable and secure than overhead lines.	10/8/2023 6:53 PM
28	The east side of Kyle desperately needs parks, pools, soccer fields, a post office, a recreation center, a library, GED services, English language lessons, medical clinics, food pantry, etc.	10/8/2023 12:35 PM
29	Beautify downtown Kyle	10/7/2023 9:11 AM
30	No	10/7/2023 6:09 AM
31	Updates on the Vibe program.	10/6/2023 8:03 PM
32	Fix old stagecoach road. Also, has the safety center made the city more safe?	10/6/2023 7:43 PM
33	This survey is a waste of my time.	10/6/2023 5:52 PM
34	Do not make Kyle another "Austin" by bringing in more low-income residential housing or, worse yet, a homeless shelter. This will inevitably increase crime-just as it has in Austin.	10/2/2023 10:30 AM
35	Education, career training, trade school and after school programs are also important and not mentioned. Support 4-H, Scouts, Boys & Girls Clubs to create future ethical leaders with great skills. Communications efforts on behalf of animal welfare services. Animal stewardship and legalities education for Kyle as per Mayor Pro Tem Tobias.	9/29/2023 11:56 PM
36	Nope	9/29/2023 5:34 PM
37	I would like a bigger playground at the Square downtown.	9/29/2023 8:42 AM
38	Family friendly sit in restaurants like outback. I don't know why mini playgrounds aren't a thing near shopping stores that are fenced-in. Kids and parents will both be happy.	9/29/2023 6:36 AM
39	Maybe retail space & the need (or lack of)? Same with mixed used properties.	9/28/2023 7:59 PM
40	Kyle sucks. Hate it so much. Drive to Austin for all my retail needs. Would love a Central Market. Sprouts is meh, when thats here, I will still be driving to Austin, spending my tax dollars there	9/28/2023 5:36 PM
41	We have so many dentists and nail salons it's insane. Can we stop please? ;-)	9/28/2023 5:03 PM
42	More children's activities: more covered/ shaded playgrounds, more capacity for them to do sports and activities (like at a Y or swim school), more business catered to children's activities like music studios, dance studios, gyms, art, Spanish cultural center	9/28/2023 9:18 AM
43	Please listen to us about slowing down the growth .	9/28/2023 6:15 AM
44	There does not need to be any more stores and there does not need to be any more subdivisions. The roads were not meant for the amount of people who have moved here because of the amount of houses that were allowed to be built.	9/27/2023 9:24 PM
45	We need more gyms, and we need more fine dining	9/27/2023 8:47 PM
46	I am getting concerned about the amount of homeless people I see walking around the communities on 150. Not that they are doing anything wrong but I would just want to make sure you all know what we see over here.	9/27/2023 8:03 AM
47	Pissed off to see this once charming and safe community being full of leftists from ATX with the alphabet, flag and gender bending idiots ruining children and families— crime is up. The schools are rife with illegals. Americans are sick and tired of being punished. How can you	9/27/2023 7:50 AM

Community Needs Assessment Survey

sleep at night watching our country go down the tubes... the only thing that needs to be done is MORE affordable single family homes— by reducing or eliminating property taxes, getting RID of illegals overrunning schools and our health" care" which is no longer " care" thanks Obama— and to incentivize marriage, traditional families with incentives for living a GOOD life and producing children in an intact home— stop rewarding mentally deranged, drug and gang culture. We deserve the incentives— instead of flipping pay the price for everyone else's bad choices— it is sickening. Same goes for debt. Why isn't Financial Peace for teens or any " be responsible" course taught in K -12? Because the government wants you addicted and reliant on their freaking programs for your whole life cradle to grave. The answer to this survey is no no no.

48	No	9/27/2023 5:07 AM
49	Quality of life issues need deliberate attention and thoughtful action planning, fully incorporated into all City departments and services. Yes, all should be asking how what we are doing is affecting our residents' quality of life. Because that's our highest goal.	9/26/2023 10:45 PM
50	Definitely not high priority, but I'd love to see more of a relationship between the City of Kyle and Texas State University. When I drive on FM1626 everyday, I always see cars with TXST logos on them. I think there are quite a bit of students that live here that commute south. It would be nice to see more of a connection to TXST here	9/26/2023 8:51 PM
51	Yup but no one listens so no point.	9/26/2023 7:45 PM
52	Events maybe? Lights too.	9/26/2023 7:13 PM
53	We need to make Kyle a safe walking community. Children need to feel safe walking to school on wide and properly lit sidewalks. People without transportation need to feel safe walking to work. Walking in the street is dangerous. We need more crosswalks and pedestrian traffic lights.	9/26/2023 6:37 PM
54	Need more support for local businesses	9/26/2023 5:06 PM
55	The taxes are causing people to be taxed out of and their homes. The apartment and businesses to be taxed more to cover the amount of the kids going to school to lower the taxes for the home owners. Stop building apartments and making the home owners cover the cost of the schools and acc. A large amount of people in homes are elderly or do not have kids. I have lived here 15 years and the mortgage continues to go up due to the taxes.	9/26/2023 3:14 PM
56	Also the rideshare program is just plain stupid, get us on a bus line that goes into Austin and into San Antonio.	9/26/2023 2:12 PM
57	We do not need a combination Senior Center, Library, and Recreation Center. We do not need a new Library and a Recreation Center could be brought here with the right incentives. This town needs a Senior Center. They need their own building and they deserve one.	9/26/2023 2:05 PM
58	We need a new city manager and city attorney.	9/26/2023 11:58 AM
59	Stop with the generic building and allow local small businesses to develop instead.	9/26/2023 11:56 AM
60	Just add better options for better moving around the city.	9/26/2023 11:30 AM
61	We need water pipelines in from areas with surplus of water. This begging and borrowing for water needs to end. Stop building tons of new housing developments and start finding the housing developers \$5,000 per DAY so \$35,000 per week they water and make their grass look all cute so we all suffer. STOP MAKING IT SO EASY FOR PREDATORY DEVELOPING. It's killing our community. Build up businesses not housing complexes... you have 70k residents! That's enough to get started until you have the infrastructure and a primary water source.	9/26/2023 11:10 AM
62	You should truly evaluate the median income of those on the east side vs west.	9/26/2023 11:05 AM
63	No. Survey is well designed	9/26/2023 10:34 AM
64	No	9/26/2023 10:20 AM
65	Invest on safe sidewalks for east Kyle from bunton creek to lehman high school around Goforth st to science hall elementary	9/26/2023 10:17 AM
66	Painting reflective white lines along the edge and yellow reflective lines in the centers of dark rural roads where there are no lights would help a lot at night and in bad weather. This would	9/22/2023 11:29 PM

Community Needs Assessment Survey

	make our roads so much safer and save people's lives.	
67	Art programs	9/22/2023 12:17 PM
68	food insecurity	9/15/2023 9:54 AM
69	Homeless shelter, low cost motels for families who find themselves evicted, low income housing to try to get these families off the streets, out of their cars or out of shelters. There are SO many more out there then people realize. I work with this population in Hays County and struggle daily trying to find resources for these families to try not to traumatize the children in these families. HELP please! :)	9/14/2023 12:17 PM
70	NO	9/14/2023 12:08 PM
71	Homeless people are showing up around the Wal-mart/Target area on a weekly basis. I expect this will become a larger issue in the coming year.	9/14/2023 12:03 PM

City of Kyle Needs Assessment 10/26/2023

Explain why you identified your greatest community need(s) in the Needs Assessment Community Survey questions. If you have more than one, pick one and specify which one is the focus of the explanation.

affordable housing - self exp.

How can the City of Kyle address, meet, or solve the community need you identified as greatest in the Needs Assessment Community Survey? Focus your response on the same community need as identified in the explanation above.

1. subsidized affordable housing development for owners;
2. rental vouchers

What obstacle(s) do you see in getting your chosen greatest community need met? How can the obstacle(s) be overcome?

\$200,000 budget seems low

~~extra~~
community involvement

City of Kyle Needs Assessment 10/26/2023

Explain why you identified your greatest community need(s) in the Needs Assessment Community Survey questions. If you have more than one, pick one and specify which one is the focus of the explanation.

Most of choices were based on the issues of a growing community and support the diverse needs that come with that growth.

How can the City of Kyle address, meet, or solve the community need you identified as greatest in the Needs Assessment Community Survey? Focus your response on the same community need as identified in the explanation above.

We focused on the individual needs of residents that affect a healthy, thriving community.

What obstacle(s) do you see in getting your chosen greatest community need met? How can the obstacle(s) be overcome?

Bureaucracy and financial limitations.
Prioritization of greatest ^{human} needs being met first.

Community Needs Assessment Survey Needs Assessment Survey for Community Development Block Grant Program

Due Date: November 06, 2023 to CDBG@CityOfKyle.com

The City of Kyle has been identified as a potential Entitlement Community for the Community Development Block Grant (CDBG) Program through the Department of Housing and Urban Development (HUD). As part of this process, the City will be preparing a 5-Year Consolidated Plan. Part of this plan includes community participation. This Community Needs Assessment Survey will be the first step in the process for community engagement. We invite you to participate in this survey and sign up to receive notifications for future surveys or participation events.

Please answer the following demographic questions.

1. What is your age?

Under 18

18-24

25-34

35-44

45-54

55-65

65+

Please review and fill out the questions below by selecting ONE checkbox per question.

The following questions are sequential and order does not indicate rank or importance.

	Great Need	Some Need	No Need
Job Training		✓	
Homeless Shelter			✓
Counseling, referral support services		✓	
Rental Assistance		✓	
Newly constructed low-income housing		✓	
Homeowner Downpayment Assistance		✓	
Mixed-Use Housing		✓	
Lower land costs	✓		
Reducing lot(s) zoning restrictions to assist with ease of building		✓	

Homelessness Prevention (rent and utility assistance)		✓	
Special Needs Housing - elderly, frail, persons with mental, physical, and/or developmental disabilities, persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, persons suffering from domestic violence, dating violence, sexual assault, or stalking.		✓	
Parks and Playgrounds		✓	
Street Lighting		✓	
Senior Center, Library, Recreation Center(s)	✓		
Construct sidewalks, natural trails, and multi-modal trails (the Vybe)	✓		
Infrastructure Improvements - wastewater/sewer lines		✓	
Infrastructure Improvements - drinking waterlines		✓	
Infrastructure Improvements - Stormwater Conveyance		✓	
Increase access to public transportation or the Uber \$3.14 Program		✓	
Increase access to grocery stores		✓	
New construction or reconstruction of roads		✓	
New regional wastewater treatment plant			✓
Downtown Revitalization	✓		

Explain why you identified your greatest community need(s) in the Needs Assessment Community Survey questions. If you have more than one, pick one and specify which one is the focus of the explanation.

I only work in Kyle in the context of Emergency Management. The city's greatest need in that context are not listed above

How can the City of Kyle address, meet, or solve the community need you identified as greatest in the Needs Assessment Community Survey? Focus your response on the same community need as identified in the explanation above.

The city critically lacks a Mass Care facility for sheltering operations. Construction of a Recreation/Community Center, will meet this need.

What obstacle(s) do you see in getting your chosen greatest community need met? How can the obstacle(s) be overcome?

The cost of new construction. The city will likely need a bond to build this center.

Name any activities and/or programs that a local organization may already be carrying out that would support any of the Community Needs in the Needs Assessment Survey. Please include the organization name and contact information.

The Kyle library serves the community well as a library

Do you have any other information to share or a community need that should be added to the survey?

The city needs a robust system for response and recovery operations, to include operations staff to monitor road, spillway, weather, and special events on a real-time basis

Jenn Marie

You didn't listen to residents about the pie thing being weird or moving pie in the sky to a different time of year or about how we are building too fast...

5d

Maisie Barks

We need more water, which we won't get, because as Jenn Marie said, "we are building too fast." We can't ration our way out of this drought if the city council keeps approving new subdivisions.

5d

Verona Gomez

Stop building apartments and we don't need no more businesses, no more car wash and no more gas station. It's starting to get crowded and it's starting to look like Austin. Enough is enough

10h

David Banderman

Trader Joe's and a nice gym like a new YMCA, 24 Hour Fitness, etc.

4d

Jason Clair

Lower property taxes.
Better water treatment. My kitchen faucet smells like a public pool.
Get rid of HOA' or at least they need to treat renters the way they treat home owners.
Renters aren't second class to home owners.

5d

Matthew Lehn

Fortunately my water filtration and softener removes the chlorine, but I get you. Without it, it literally does smell like a pool. And this is coming from someone who's lived in the city all his life. Water is nasty in Kyle.

4d

4d

Cartas de Oro

East Kyle needs a sports center and public pool. Buda and west Kyle get everything. The lower income side of Kyle has nothing in comparison to the other sides. The only thing the lower income side is getting is their land developed for cookie cutter homes that fence off their amenities.

4d

Eva Garza-Mcadams

Need a senior center.

5d

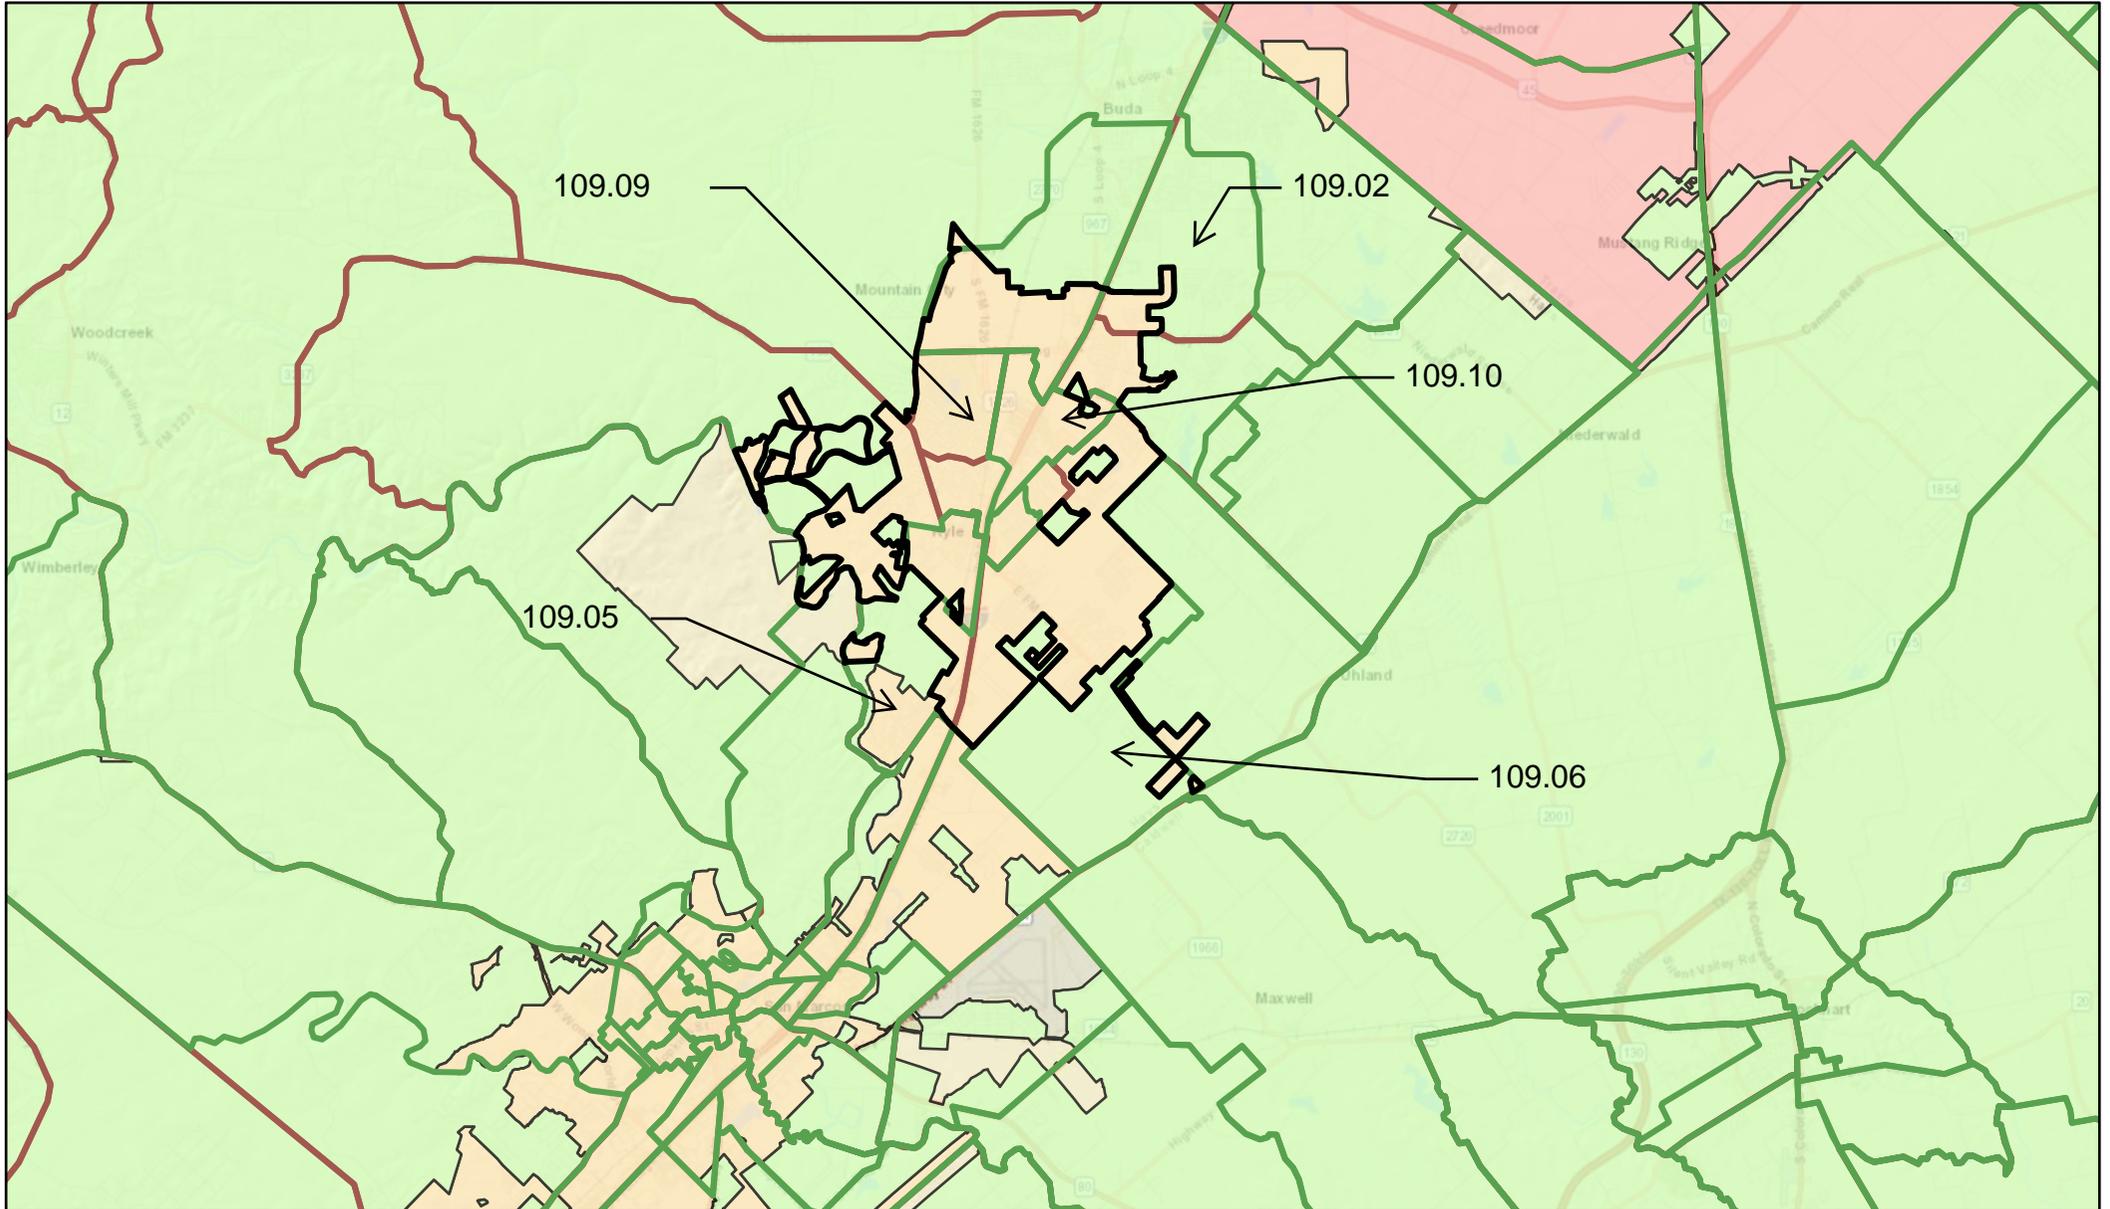

Crystal Cardenas

What we DON'T need are apartments!

Can we get a nice and affordable youth center like Millennium Youth Entertainment

APPENDIX G
CITIZEN PARTICIPATION PLAN

CITY OF KYLE CITIZEN PARTICIPATION PLAN

The City of Kyle is identified as an Entitlement City by the U.S. Department of Housing and Urban Development, and consequently, receives funding annually through the Community Development Block Grant (CDBG), and the HOME Investment Partnership Program. The amount of each CDBG, and HOME entitlement is determined by statutory formula. Within the statutory constraints of each of the HUD programs, the City of Kyle is able to develop its own programs and funding priorities.

In application for funding through these programs, the City of Kyle is required to develop and submit to the U.S. Department of Housing and Urban Development, a Consolidated Plan which identifies the housing and non-housing funding priorities of the community and the specific activities to be carried out with CDBG, and HOME funds. In developing the Consolidated Plan, the City is charged with the responsibility of consulting with local citizens, community service organizations, and others as applicable in assessing needs and determining the best use of program funds.

The City of Kyle has developed this Citizen Participation Plan (CPP) to adhere to 24 CFR Part 91, pertaining to the Consolidated Submission for Community Planning and Development Programs and 91.105 Citizen Participation Plan; local governments. Also, in accordance with 24 CFR Part 91.105(a)(3), the City will provide this CPP in a format that is accessible to persons with disabilities, upon request. The City's policies and procedures to encourage and allow for citizen participation in the development and submission of a Consolidated Plan, as well as any substantial amendments to the Plan, and reports of performance are outlined below.

I. ENCOURAGEMENT OF CITIZEN PARTICIPATION

- A. The City of Kyle shall take appropriate action to encourage the participation of all its citizens in the development of the consolidated plan, any substantial amendments to the consolidated plan, and on the Consolidated Annual Performance and Evaluation Report (CAPER).
- B. Particular emphasis will be placed on encouraging the participation by low-and moderate-income persons, particularly those living in slum and blighted areas and in areas where CDBG funds are proposed to be used, and by residents of predominantly low- and moderate-income neighborhoods, as defined by the City. The City of Kyle will take whatever action is appropriate in the encouragement of the participation of all its citizens, including minorities and non-English speaking persons as well as persons with disabilities.
- C. The City shall encourage, in conjunction with consultation with the Kyle Housing Authority, the participation of residents of public and assisted housing developments, in the process of developing and implementing the consolidated plan, along with other low-income residents of targeted revitalization areas in which the developments are located. The City shall make an effort to provide information to the housing

agency about consolidated plan activities related to its developments and surrounding communities so that the housing agency can make this information available during at least one of the two public hearings per year on the Consolidated Plan.

- D. The City shall provide citizens with a reasonable opportunity to comment on the citizen participation plan, and on substantial amendments to the citizen participation plan, and must make the citizen participation plan public. The citizen participation plan shall be in a format accessible to persons with disabilities, upon request.

II. DEVELOPMENT OF THE CONSOLIDATED PLAN

- A. Before adopting the Consolidated Plan, the City will make available to citizens, public agencies, and other interested parties information that includes the amount of assistance the City is expected to receive (including grant funds and program income) and the range of activities that may be undertaken, including the estimated amount that will benefit persons of low-and moderate income.
- B. City staff charged with the responsibility of preparing the Consolidated Plan will meet and request input from local citizens, service organizations, the Public Housing Authority, and other interested parties through:
 - 1. The City will develop a portion of their website to be dedicated to the Consolidated Plan to foster and encourage citizen participation throughout the plan's development.
 - 2. The City will use an on-line Consolidated Plan Survey to provide citizens and stakeholders the opportunity to share input and/or ask questions during the 30-day period prior to a Needs Assessment Community Workshop. The Consolidated Plan Survey will be posted on the City's website and will also be available in hard copy at a designated City office location. Citizens and stakeholders will be made aware of the Consolidated Plan Survey through the City's website, interviews, media releases, email blasts, flyers at libraries, and social media outlets. The designated webpage for the plan can then be updated as needed with draft documents and notices of coming workshops.
 - 3. A Needs Assessment Community Workshop will be scheduled in a timely fashion to allow for sufficient time for preparation of the plan.
 - 4. A notice including the date, time, and location of the Needs Assessment Community Workshop will be posted to the City website, Facebook and the local newspaper at least 72-hours prior to the workshop. Input and comments collected during the 30-day comment period and workshop will be attached to the Draft Consolidated Plan.
 - 5. A Strategic Plan Community Workshop will be scheduled in a timely fashion to allow for sufficient time for preparation of the plan.

6. A notice including the date, time, and location of the Strategic Plan Community Workshop will be posted to the City website, Facebook and the local newspaper at least 72-hours prior to the workshop. Input and comments collected during the 30-day comment period and workshop will be attached to the Draft Consolidated Plan.
 7. At least one Community Workshop will be held at a location easily accessible to all, prior to the development of the plan in order to obtain the views of citizens on housing and community development needs, including priority non-housing community development needs.
 8. Scheduled consultation meetings with service organizations, the Public Housing Authority, and others as necessary.
- C. At the time the proposed plan is made available for public comment, a summary of the proposed Consolidated Plan will be published in the Hays Free Press or other local newspaper which maintains the greatest circulation.
 - D. Paper copies of the proposed Consolidated Plan will be made available at City Offices and local libraries, for public review for a 30-day period. Notice will be given through the Hays Free Press or other newspaper of greatest circulation; the City website, Public Access Channel, Radio and TV regarding the comment period.
 - E. A reasonable number of copies of the proposed Consolidated Plan will be made available free of charge to citizens and groups who request it.
 - F. A copy of the completed Consolidated Plan will be made available, in hard copy and electronically, for public comment for 30 days before a request is made for City Council authorization to approve the plan and submit it to HUD.
 - G. Paper copies of the completed Consolidated Plan will be made available at City Offices and local libraries, for public review for a 30 day period. Notice will be given through the Hays Free Press or other newspaper of greatest circulation; the City website, Public Access Channel, Radio and TV regarding the comment period.
 - H. A presentation on the completed Consolidated Plan to the Mayor and City Council, noting the proposed activities to be carried out with CDBG, and HOME funds will be held, and the public will have the chance to comment, before the formal request is made for City Council authorization to approve the Consolidated Plan and submit it to HUD.
 - I. In preparing the final Consolidated Plan, City staff will consider any comments or views of citizens received in writing during public comment period(s) or orally at the presentation to the Mayor and City Council. A summary of these comments or views, and a summary of any comments or views and the reasons therefore, shall be

made part of the Final Consolidated Plan.

III. DISPLACEMENT OF PERSONS

The City of Kyle does not anticipate any displacement to occur as a result of any HUD funded activities. All programs will be carried out in such a manner as to safeguard that no displacement occurs. However, in the event that a project involving displacement is mandated in order to address a concern for the general public's health and welfare, the City will take the following steps:

- A. A public hearing will be held to allow interested citizens an opportunity to comment on the proposed project and voice any concerns regarding possible relocation. Notice of the public hearing/meeting will be made as per the procedure noted in a separate section of the Citizen Participation Plan.
- B. In the event that a project involving displacement is pursued, the Community Development or other City staff will contact each person/household/business in the project area and/or hold block meetings, depending on the project size; inform persons of the project and their rights under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and respond to any questions or concerns.
- C. Relocation assistance will be provided in adherence with the City's Project Relocation Plan and the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended.

IV. SUBSTANTIAL AMENDMENTS

- A. Changes to the Consolidated Plan that constitute a Substantial Amendment include:
 - 1. A change in the use of CDBG, and/or HOME funds providing for the addition/deletion of a project including the purpose, scope, location or beneficiary of an activity.
 - 2. An increase in the funding of a previously disclosed CDBG or HOME activity, if the additional allocation equals or exceeds \$500,000.
 - 4. A change in allocation priorities or a change in the method of distribution of funds.
- B. City staff will insure that citizens and interested groups have an opportunity to comment on any substantial amendments to the Consolidated Plan.
 - 1. Notice of the proposed substantial amendment and request for comment will be made through the Hays Free Press or other newspaper of greatest circulation.
 - 2. Citizens will be provided a 30-day comment period to express views regarding the

substantial amendment before the amendment is implemented. Copies of the substantial amendment will be made available at the Dept. of Planning, the Office of the City Secretary, and at the Kyle public library.

3. In preparing the substantial amendment, City staff will consider any comments or views of citizens received in writing or orally. Comments can be addressed to :

Director:
Department of Planning
100 W. Center St
Kyle, TX 78640

Or be e-mailed to:
CDBG@cityofkyle.com
use “Consolidated Plan Substantial Amendment [year]” in the subject line

4. A summary of these comments or views, and a summary of any comments or views not accepted and the reasons therefore, shall be made part of the substantial amendment to the consolidated plan.

V. CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT (CAPER)

- A. Notice of each annual performance report and request for comment shall be made through the Hays Free Press or other newspaper of greatest circulation.
- B. Citizens will be provided a 15-day comment period to express views regarding the performance report before the report is submitted to the U.S. Department of Housing and Urban Development. Copies of the CAPER will be made available at the Department of Planning, at the Office of the City Secretary, and at the Kyle public library.
- C. In preparing the performance report, City staff shall consider any comments or views of citizens received in writing or orally. Comments can be addressed to:

Director
Department of Planning
100 W. Center St
Kyle, TX 78640

Or be e-mailed to:
CDBG@cityofkyle.com
use "CAPER [year]" in the subject line

VI. PUBLIC HEARINGS/MEETINGS

Citizens are required to be provided with reasonable and timely access to local meetings, information, and records relating to the Consolidated Plan and the City's proposed and actual use of Community Development Block Grant, and the HOME Investment Partnerships Program through the following actions:

A. Schedule of Public Hearings/Meetings

1. The City will hold at least 2 public hearings each fiscal year to obtain citizens' views and to respond to proposals and questions to be conducted at a minimum of two different stages of the program year. The hearings shall address:
 - a. Housing and community development needs. In order for the City to obtain views of citizens on housing and community development needs, including priority non-housing community development needs, the at least one of these hearings must be held before the proposed consolidated plan is published for comment.
 - b. Development of proposed activities, proposed strategies, and actions for affirmatively furthering fair housing.
 - c. Review of program performance.
2. Citizens will be given 15 days prior notice of each hearing with sufficient information published about the subject of the hearing to permit informed comment.
3. If a hearing is scheduled as part of a City Council meeting, a notice of the public hearing will also be included in the City Council agenda which will be posted by the City Secretary 72 hours prior to the meeting date.
4. Public hearings will be held at times and location convenient to potential and actual beneficiaries, and with accommodation for persons with disabilities.
 - a. The City will insure that meeting locations are centrally located, accessible by both private and public transportation, and present no barriers to persons with disabilities.
 - b. Upon timely notice (at least 72 hours), City staff will make special arrangements for persons who are hearing impaired or have a special need.
 - c. The City shall ensure that non-English speaking residents be presented with an opportunity to participate and comment in public hearings by conducting,

upon request, the hearing in Spanish.

5. Additional public hearings can and will be held upon the request of City Council and/or concerned citizen requests to City Council.
 6. The City shall ensure that public meetings be held in neighborhoods that are in CDBG target areas in order to obtain citizen's views and to respond to proposals and questions.
 7. Advertisement of public meetings shall be made both in English and Spanish in order to afford non-English speakers an opportunity to be aware of public meetings. Advertisements will be in the local newspaper of greatest circulation at least 2 weeks prior to the date of the meeting in order to provide timely notice to neighborhood residents.
 8. As appropriate, press releases will be issued through TV, to announce special scheduled meetings.
 9. As appropriate, flyers noting a neighborhood meeting's purpose and scheduled time shall be distributed at locations frequented by affected residents (i.e. neighborhood schools, recreation centers, housing authority, etc.)
 10. The Public Access Channel shall be utilized to broadcast information about Consolidated Plan meetings, etc., in both English and Spanish.
- B. The intended use of the Community Development Block Grant Program, the HOME Investment Partnership Program, and other applicable HUD program funds will be publicized by and through:
1. Public Comment Period and Presentation. Prior to the request by staff that City Council approve the proposed Consolidated Plan, there will be a 30-day comment period and a presentation to the Mayor and City Council, where the public will have the chance to comment, on the specific projects proposed to be carried out will be identified.
 2. Neighborhood meetings. Citizens will be encouraged to attend and learn of the proposed and ongoing activities of the City, including the projects/programs funded and proposed to be funded through CDBG, and HOME, at neighborhood meetings held prior to the start of the fiscal year.
 3. City Council Budget Hearings. Proposed CDBG, and HOME budgets are discussed at City Council Budget Hearings, which are held approximately 60 days prior to the start of the new fiscal year. They are open to the public.

VIII. AVAILABILITY TO THE PUBLIC

- A. City Council meetings will be aired through the Public Access Channel for the purpose of allowing all residents of the community to be informed of City Council Action.
 - 1. The Consolidated Plan, as adopted, substantial amendments, and the annual performance report, shall be available to the public, including the availability of materials in a form accessible to persons with disabilities, upon request, at the offices of the Department of Planning.
 - 2. It is the City's policy that all information required to be made public by the Texas Open Records Act, be made available for public review in accordance with Chapter 552 of the Texas Government Code. The City of Kyle will provide citizens, public agencies, and other interested parties with reasonable and timely access to information and records relating to the City's Consolidated Plan, and the City's use of assistance under the programs covered by 24 CFR 91 during the preceding 5 years.

IX. TECHNICAL ASSISTANCE

Technical Assistance shall be provided to groups representing persons of low and moderate income that request assistance in developing proposals, be it for CDBG, HOME or other projects covered under the Consolidated Plan.

- A. City staff shall meet with group representatives informally as well as formally, to discuss program needs and provide guidance as applicable.
- B. City staff shall coordinate with other City Departments to ascertain information needed and/or requested by group representatives.

X. COMPLAINTS

- A. The City of Kyle maintains an Open Door Policy and encourages citizens to express their needs and issues of concern. All grievances shall be addressed in a courteous and timely manner.
- B. Oral complaints will be addressed by the staff person receiving the complaint. If the complaint is not addressed to the satisfaction of the complainant, then the concern will be referred to the staff person's supervisor. If the complainant is still not satisfied, then the concern will be addressed by the Department of Planning. The nature of the complaint will be documented for further reference in the city's Customer Service system or other complaint documentation system, as appropriate.
- C. Written complaints will be addressed through a formal written response. Staff will respond to such complaints in writing within 15 working days after having received the complaint.

XI. NEEDS OF NON-ENGLISH SPEAKING RESIDENTS

City staff will accommodate the needs of non-English speaking residents to insure their participation.

- A. Newspaper and website notices regarding all HUD funded activities administered by the City, substantial amendments, and performance reports will be published both in English and in Spanish.
- B. Depending on the needs of the residents in attendance, staff will insure that public hearings are conducted in English and/or Spanish, as appropriate.
- C. Public comments will be received both in English and in Spanish during City Council meetings where the Consolidated Plan, substantial amendments, and the performance report are discussed.

XI. OTHER

- A. The 30-day public comment period for the initial version of this plan was from 06/14/23 to 07/14/23 as stated in the notice published in the Hays Free Press on 06/14/23.
- B. The City of Kyle reserves the right to amend its Citizen Participation Plan as it relates to the Community Development Block Grant Program, as necessary, in order to meet the needs of citizens of the community and changes in program requirements.
- C. Following City Council's approval of the amended Citizen Participation Plan, the City of Kyle is responsible for adhering to the citizen participation policies and procedures, as noted, in regard to the development and submission of the Consolidated Plan, Substantial Amendments, and the CAPER.
- D. The Citizen Participation Plan, as amended, does not restrict the responsibility or authority of the jurisdiction for the development and execution of the Consolidated Plan.

RESOLUTION NO. 1384

A RESOLUTION OF THE CITY OF KYLE APPROVING THE ADOPTION OF THE CITIZEN PARTICIPATION PLAN FOR THE COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

Whereas, the Consolidated Plan Regulation, authorized pursuant to Title 1 of the Housing and Community Development Act of 1974, as amended (Act), require at 24 CFR Part 91 that jurisdictions receiving certain federal community planning and development funds prepare and adopt a Citizen Participation Plan; and

Whereas, the Mayor and City Council reviewed the Citizen Participation Plan for the Community Development Block Grant program that details how the City Kyle will encourage citizen participation for development of the Consolidated Plan, amendments to the Consolidated Plan, and performance reports through public hearings and meetings and also includes provisions for availability of documents to the public, access to records, technical assistance, and handling complaints; and

Whereas, the Citizen Participation Plan for the Community Development Block Grant Program and a notice of public hearing have been published for citizen comment prior to forwarding the documents to the City Council for approval; and

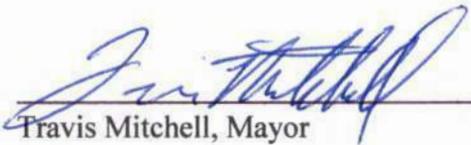

Whereas, the City Council held a public hearing on the Consolidated Plan and Action Plan to provide an opportunity for the public to comment on the information provided in the Consolidated Plan and Action Plan

NOW, THEREFORE, BE IT RESOLVED THAT THE CITY COUNCIL OF THE CITY OF KYLE, HAYS COUNTY, TEXAS, THAT:

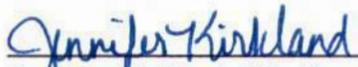

The City Council hereby approves the adoption of the Citizen Participation Plan for the Community Development Block Grant Program and the HOME Investment Partnerships program in substantially the form attached.

FINALLY PASSED AND APPROVED on this 18th day of July, 2023.

City of Kyle

Citizen Participation Plan Public Notice

To: All Interested Agencies, Groups, and Individuals

The City of Kyle is identified as an Entitlement City by the U.S. Department of Housing and Urban Development, and consequently, receives funding annually through the Community Development Block Grant (CDBG), and the HOME Investment Partnership Program. The amount of each CDBG, and HOME entitlement is determined by statutory formula. Within the statutory constraints of each of the HUD programs, the City of Kyle is able to develop its own programs and funding priorities.

In application for funding through these programs, the City of Kyle is required to develop and submit to the U.S. Department of Housing and Urban Development, a Consolidated Plan which identifies the housing and non-housing funding priorities of the community and the specific activities to be carried out with CDBG, and HOME funds. In developing the Consolidated Plan, the City is charged with the responsibility of consulting with local citizens, community service organizations, and others as applicable in assessing needs and determining the best use of program funds.

The City of Kyle has developed a draft Citizen Participation Plan (CPP) to adhere to 24 CFR Part 91, pertaining to the Consolidated Submission for Community Planning and Development Programs and 91.105 Citizen Participation Plan for local governments. Also, in accordance with 24 CFR Part 91.105(a)(3), upon request, the City will provide the draft CPP in a format that is accessible to persons with disabilities. The City's policies and procedures to encourage and allow for citizen participation in the development and submission of a Consolidated Plan, as well as any substantial amendments to the Plan, and reports of performance are outlined in the draft CPP.

Total HUD CDBG funding for the Fiscal Year 2023 -2024 is anticipated to be over \$50,000.

This notice serves three purposes: 1) per 24 CFR Part 91.105 the City of Kyle is required to adopt a citizen participation plan that sets forth the jurisdiction's policies and procedures for citizen participation, 2) per 24 CFR Part 91.105(a)(3) the City of Kyle must provide citizens with a reasonable opportunity to comment on the original citizen participation plan and on substantial amendments to the citizen participation plan, and must make the citizen participation plan public, and 3) notify the public that the preparation of the Consolidated Plan will begin following City approval of the CPP.

Citizens can review a copy of the draft CPP at 100 W. Center Street, Kyle Texas 78640, Monday to Friday, from 8am to 5pm, or on-line at www.cityofkyle.com, look for "Citizen Participation Plan".

Comments must be submitted before 5pm on Thursday July 14, 2023, in writing to Kaela Sharp, 100 W. Center Street, Kyle, Texas 78640, or via email to Kaela.Sharp@cityofkyle.com.

Date: June 14, 2023

The requirements of Subchapter of Chapter 2023, Government Code, shall apply to this Bid and the Contractor agrees that the Contract Documents can be terminated if the Contractor knowingly or intentionally fails to comply with a requirement of that subchapter.

Ciudad de Kyle

Plan de Participación Ciudadana Noticia Pública

Para: Todas las agencias, grupos e individuos interesados

El Departamento de Vivienda y Desarrollo Urbano de los EE. UU. identifica a la ciudad de Kyle como una ciudad que recibe fondos anualmente a través de la subvención en bloque para el desarrollo comunitario (CDBG) y el programa de asociación de inversión HOME. La cantidad de cada derecho de CDBG y HOME está determinada por la fórmula legal. Dentro de las limitaciones legales de cada uno de los programas de HUD, la ciudad de Kyle puede desarrollar sus propios programas y prioridades de financiación.

En la solicitud de financiamiento a través de estos programas, la Ciudad de Kyle debe desarrollar y presentar al Departamento de Vivienda y Desarrollo Urbano de los EE. UU., un Plan Consolidado que identifique las prioridades de financiamiento de vivienda y no relacionadas con la vivienda de la comunidad y las actividades específicas que se realizarán. Llevado a cabo con fondos CDBG y HOME. Al desarrollar el Plan Consolidado, la Ciudad tiene la responsabilidad de consultar con los ciudadanos locales, las organizaciones de servicio comunitario y otros, según corresponda, para evaluar las necesidades y determinar el mejor uso de los fondos del programa.

La Ciudad de Kyle ha desarrollado un borrador del Plan de Participación Ciudadana (CPP) para adherirse a 24 CFR Parte 91, perteneciente a la Presentación consolidada para Programas de Planificación y Desarrollo Comunitario y 91.105 Plan de Participación Ciudadana para gobiernos locales. Además, de acuerdo con 24 CFR Parte 91.105(a)(3), previa solicitud, la Ciudad proporcionará el borrador del CPP en un formato que sea accesible para las personas con discapacidades. Las políticas y procedimientos de la Ciudad para fomentar y permitir la participación ciudadana en el desarrollo y presentación de un Plan Consolidado, así como cualquier enmienda sustancial al Plan, y los informes de desempeño se describen en el borrador del CPP.

Se anticipa que la financiación total de HUD CDBG para el año fiscal 2023 -2024 debe ser aproximadamente \$50,000.

Este aviso tiene tres propósitos: 1) según 24 CFR Parte 91.105, la Ciudad de Kyle debe adoptar un plan de participación ciudadana que establezca las políticas y procedimientos de la jurisdicción para la participación ciudadana, 2) según 24 CFR Parte 91.105(a)(3) la Ciudad de Kyle debe proporcionar a los ciudadanos una oportunidad razonable para comentar sobre el plan de participación ciudadana original y sobre las enmiendas sustanciales al plan de participación ciudadana, y debe hacer público el plan de participación ciudadana, y 3) notificar al público que la preparación del Plan Consolidado El plan comenzará luego de la aprobación de la Ciudad del CPP.

Los ciudadanos pueden revisar una copia del borrador del CPP en 100 W. Center Street, Kyle Texas 78640, de lunes a viernes, de 8 am a 5 pm, o en línea en www.cityofkyle.com, busque "Plan de participación ciudadana".

Los comentarios deben enviarse antes de las 5:00 p. m. del jueves 14 de julio de 2023, por escrito a Kaela Sharp, 100 W. Center Street, Kyle, Texas 78640, o por correo electrónico a Kaela.Sharp@cityofkyle.com.
