

Community Gardens Committee

Committee Description: The Community Gardens Committee will work with City staff and provide recommendations on the design and installation of the City of Kyle Community Garden at Post Oak. The community garden committee's purpose is to organize the planning, implementation, and maintenance of the City of Kyle Community Garden at Post Oak. Committee duties include participation in meetings to provide input regarding the operations of the garden including establishing garden rules, securing volunteers and donations, and providing input on garden design.

The Community Gardens Committee consists of 7 seats and meets monthly on the 2nd Thursday of the month at 6:15 p.m.
