

TABC Applications

As part of the TABC application process, the City Secretary must sign off on Local Option Election and Zoning before the application can be submitted to TABC. There are two options: make an appointment with the City Secretary via phone (512)262-3981 or email (jkirkland [at] cityofkyle.com (subject: TABC%20Application) (jkirkland[at]cityofkyle[dot]com)) to come in person with the application, or mail the application with return postage to City of Kyle, Attn: Jennifer Kirkland, 1700 Kohlers Crossing, Kyle, TX 78640.

Once the license is issued by TABC, an invoice will be mailed to the license holder's mailing address on file with TABC according to the schedule allowed by state law for fifty percent (50%) of the state fee.
